| Moderate | Deed Restricted | 696 | | | | | | | | | | | 269 | 427 | |
| | Non-Deed Restricted | | 34 | 45 | 30 | 102 | | | | | | | | | |
| Above Moderate | | 1,799 | 21 | 21 | 267 | 158 | | | | | | | 467 | 1,332 | |
| Total RHNA | | 4,570 | | | | | | | | | | | | | |
| Total Units | | | 55 | 67 | 364 | 422 | - | - | - | - | - | - | 908 | 3,662 | |

*For years prior to 2025, Acutely Low-Income units are reported within the Extremely Low-Income category

*For jurisdictions that received RHNA determinations for the current cycle prior to the passage of AB 3093 (September 19, 2024):

- You were not allocated Acutely Low-Income and Extremely Low-Income RHNA targets, therefore the allocations in Field 1 are listed as "0"
- If you wish to set your own targets in these income categories for informational purposes, contact HCD staff at apr@hcd.ca.gov.
- All Acutely Low-Income and Extremely Low-Income units reported during the cycle are counted towards Very-Low Income RHNA progress

*For years prior to 2025, data on deed-restricted vs. non-deed restricted Extremely Low-Income units is approximated from whether the projects reported any deed-restricted Very Low-Income Units. If you wish to edit this historical data for accuracy or have any questions about the data, you may login to HCD's online APR system, or contact HCD staff at apr@hcd.ca.gov.

Please Note: Table B does not currently contain data from Table F or Table F2 for prior years. You may login to the APR system to see Table B that contains this data.

Please note: The APR form can only display data for one planning period. To view progress for a different planning period, you may login to HCD's online APR system, or contact HCD staff at apr@hcd.ca.gov.

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation

| Jurisdiction | | Livermore | | | | | | | |
|--|--|--|------------------|----------------------------------|---|-------------------------------|----------------------------|--|--|
| Reporting Year | | 2025 (Jan. 1 - Dec. 31) | | | | | | | |
| Table D | | | | | | | | | |
| Program Implementation Status pursuant to GC Section 65583 | | | | | | | | | |
| Housing Programs Progress Report | | | | | | | | | |
| Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element. | | | | | | | | | |
| 1 | 2 | 01/03/00 | 4 | 5 | 6 | 7 | 8 | 9 | |
| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents | |
| Program 1.1.1: Residential Sites Inventory A) If a site included in the residential sites inventory is developed with nonresidential uses or with fewer units than identified, verify that the sites inventory maintains sufficient capacity to meet the City's RHNA. If it does not, identify additional sites/units to satisfy the RHNA, that will prevent displacement in low resource areas or facilitate access to moderate and high resource areas. | Maintain adequate sites to meet the City's RHNA | 12/31/31 | 6th Cycle | Continuous | Staff closely monitors the Housing Sites Inventory as new residential applications are submitted to ensure that sites identified for housing are not developed with non-residential uses or with fewer units than assumed in the inventory. For every application on a Housing Element site, staff conducts a no net loss analysis consistent with Government Code §65863, comparing the project's proposed unit count to the site's assumed capacity and evaluating whether the City continues to maintain adequate remaining capacity to meet its RHNA by income category. This review occurs early in the entitlement process so that any potential capacity reductions can be addressed proactively. A recent project entitled in 2025, Cornerstone, illustrate how this monitoring is implemented in practice. Staff prepared a no net loss analysis as part of the staff report, documenting the site's assumed capacity, the project's proposed density, and the City's remaining RHNA buffer. These analyses confirmed that, even where proposed unit counts differed from Housing Element assumptions, the City retained sufficient capacity to meet its RHNA. If a future project were to create a shortfall, staff would identify additional sites or adjust capacity elsewhere in a manner that avoids displacement in low resource areas and expands access to moderate and high resource areas, ensuring continued compliance with State law. | Units | | n/a | |
| Program 1.1.1: Residential Sites Inventory B) Maintain an online map on the City's website of vacant residential acreage to assist developers with identifying land suitable for residential development throughout the city. The map could indicate current zoning and public facilities and services to these sites. The map could also include land suitable for affordable development, based on the allowed density, in moderate and high resource areas to facilitate new opportunities and expanded housing mobility opportunities. | Assist at least 3 interested developers annually to identify suitable land for residential development. | 12/31/31 | 6th Cycle | Continuous | Residential site inventory maps were created as part of the Housing Element Update for the 2023-2031 cycle, adopted by City Council on March 13, 2023. To assist developers, the Housing Element and the site inventory maps identify vacant and underutilized sites in the Downtown Specific Plan Area, Arroyo Vista Neighborhood Plan, and Isabel Neighborhood Specific Plan, as well as sites in other areas of the city outside of specific plan areas (refer to Housing Element Appendix A, Figures A-1a through A-1d and A-2 and Table A). Staff closely monitors the Housing Sites Inventory as new residential applications are submitted to ensure adequate capacity is maintained to meet the City's RHNA. | Units | | https://www.livermoreca.gov/home/showpublisheddocument/10080/638156173818800000 | |
| Program 1.1.1: Residential Sites Inventory C) Proactively identify areas to meet future RHNA allocations as part of the comprehensive General Plan Update. | Ensure General Plan and zoning consistency to accommodate development of 1,317 very-low-, 758 low-, 696 moderate- and 1,799 above moderate-income housing units. | 12/31/26 | 6th Cycle | In Progress | As part of the comprehensive General Plan Update currently underway, the City is proactively identifying areas that can accommodate future RHNA allocations. The draft General Plan, now moving toward public review and adoption hearings anticipated in summer of 2026, includes several Focus Areas where land use changes are proposed to support additional residential development capacity, including opportunities for mixed use redevelopment, intensified residential densities, and new housing in transit accessible locations. These areas were evaluated specifically for their ability to support long term housing production and to position the City to meet future RHNA cycles. The General Plan Update also incorporates several property owner initiated land use designation change requests outside of those areas. Many of these requests would introduce new or expanded residential capacity, further strengthening the City's ability to plan for future RHNA needs. | Units | | https://imagine.livermore2045.org/draft-general-plan-2045/ | |
| Program 1.1.1: Residential Sites Inventory D) Following future amendments to the General Plan's Safety Element, ensure consistency with the Housing Element, including the sites inventory. | n/a | 12/31/26 | 6th Cycle | In Progress | The Safety Element was updated in 2018 to include a new goal, objectives and policies relating to and supporting the Tri-Valley Hazard Mitigation Plan, which was adopted by City Council on March 11, 2024. The goal, objectives and policies address natural hazard mitigation and protecting people, property and the environment from natural hazards. In addition, the General Plan Update includes an updated Safety Element consistent with the adopted Housing Element. | Other | | https://imagine.livermore2045.org/draft-general-plan-2045/ | |
| Program 1.2.1: General Plan and Specific Plans A) Continue to update and amend the General Plan as needed and appropriate to provide a range of housing types (including missing middle housing), densities, and affordability levels. | n/a | 12/31/26 | 6th Cycle | In Progress | The City continues to advance the General Plan Update, which remains a key vehicle for expanding opportunities for a wide range of housing types, including missing middle housing, and for establishing land use designations that support diverse densities and affordability levels. Following the City Council's approval of the preferred land use scenario in June 2024, staff spend the majority of 2025 refining the Plan's policy framework in preparation for public review and adoption hearings anticipated in summer 2026. The draft land use plan proposed in the General Plan Update includes targeted land use changes to support additional residential capacity and encourage a broader mix of housing types. In parallel with the General Plan Update, the City completed Phase 1 amendments to the Livermore Development Code to align local regulations with State housing laws and to streamline the production of housing across income levels. The Housing Chapter and related Development Code amendments were adopted by City Council in July 2025. Together, the General Plan Update and Development Code Update represent significant progress toward creating a regulatory framework that supports long term housing production and accommodates future RHNA allocations. | Other | | https://imagine.livermore2045.org/draft-general-plan-2045/ https://www.livermoreca.gov/departments/community-development/planning/development-projects/senior-housing-in-sunset-office-park-5381 | |
| Program 1.2.1: General Plan and Specific Plans B) Continue to update and amend the Downtown Specific Plan as needed and appropriate to facilitate downtown revitalization, the provision of affordable housing, and mixed-use development to facilitate income integration, housing mobility opportunities and access to transit, resources, and amenities. | Approve or maintain the potential for 37 moderate and 141 lower-income housing units in the DSP area. | 12/31/31 | 6th Cycle | In Progress | The City continues to facilitate the implementation of the Downtown Specific Plan, of which the most recent amendments were adopted by the City Council in 2022. In 2025, construction began on the 36 unit Church Street Apartments, which will add new multifamily housing within walking distance of transit and downtown services. In addition, despite ongoing legal challenges, Eden Housing's Downtown Apartment project, a 130 unit, 100 percent affordable housing development, continues to make progress towards securing project financing and obtaining final maps and building permits. When completed, this project will provide much needed affordable units in the Downtown Specific Plan area. These ongoing efforts demonstrate the City's commitment to maintaining a regulatory framework that supports housing production, affordability, and a vibrant, mixed use downtown environment. | Units | 36 | https://www.livermoreca.gov/departments/community-development/planning/development-projects/senior-housing-in-sunset-office-park-5381 | |
| Program 1.2.1: General Plan and Specific Plans C) Continue to update and amend the Isabel Neighborhood Specific Plan as needed and appropriate to facilitate a complete, income-integrated, transit-oriented community that promotes housing mobility opportunities. | Approve or maintain the potential for 1,570 lower-income and 1,753 above moderate-income units in the INSP area. | 12/31/31 | 6th Cycle | In Progress | In 2025, the City Council approved an amendment to the Isabel Neighborhood Specific Plan Amendment, changing the land use at 3011, 3055, and 3077 Triad Place from Business Park to Residential Transition (15-25 dwelling units per acre) and an ordinance authorizing a Development Agreement to vest approximately 320 multifamily units in a variety of building types as part of a future project (no development application has been submitted). This rezoning will allow for additional units in the Isabel neighborhood Specific Plan, helping to further the city's housing goals. In addition, the City approved entitlements for the Cornerstone project, which will provide 253 multifamily units (114 of which are affordable in the extremely low, very low, low, and moderate income categories) in 2025, and issued building permits for approximately 95 multi-family units in the Isabel Neighborhood Specific Plan. | Units | 253 | https://www.livermoreca.gov/departments/community-development/planning/development-projects/cornerstone-chu-site | |

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation

| Jurisdiction | | Livermore | | | | | | |
|---|---|--|------------------|----------------------------------|---|-------------------------------|----------------------------|---|
| Reporting Year | | 2025 (Jan. 1 - Dec. 31) | | | | | | |
| Table D | | | | | | | | |
| Program Implementation Status pursuant to GC Section 65583 | | | | | | | | |
| Housing Programs Progress Report | | | | | | | | |
| Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element. | | | | | | | | |
| 1 | 2 | 01/03/00 | 4 | 5 | 6 | 7 | 8 | 9 |
| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 1.2.1: General Plan and Specific Plans D) Continue area planning efforts for the Southfront Priority Development Area (PDA) surrounding the future Southfront Valley Link station. Revise the General Plan designations and zoning accordingly to allow for mixed-income residential transit-oriented development. | Up to 7,500 housing units to facilitate income integration and housing mobility opportunities. | 12/31/31 | 6th Cycle | In Progress | The City continues to advance planning efforts for the Southfront Priority Development Area, referred to as the Midtown Specific Plan Area in the General Plan Update, to support future mixed income, transit oriented residential development surrounding planned transit stations. The Midtown Specific Plan Area encompasses approximately 630 acres characterized today by low intensity commercial and light industrial uses, and the General Plan Update identifies this area as a major opportunity for long term housing growth, mixed use redevelopment, and improved multimodal connectivity. Land use changes in this area will be formalized through the Specific Plan and subsequent Development Code amendments, as needed, positioning the Southfront PDA/Midtown area to accommodate significant new housing opportunities once future regional light rail service is operational. | Units | | n/a |
| Program 1.3.1: Development Code Amendments A) Continue to facilitate development of Accessory Dwelling Units (ADUs) by maintaining standards that are consistent with State law. This includes allowing ADUs in all zoning districts where single-family and multifamily residential dwellings are allowed and creating a resource center on the City's website that connects community members to materials and programs like the CalHFA ADU grant program. | 325 ADUs during the 6th Cycle Projection Period; encouraging at least half of these to be in neighborhoods dominated by single-family development to promote housing mobility opportunities. | 12/31/31 | 6th Cycle | In Progress | The City waives certain development fees for ADUs consistent with State ADU law. In 2025, the City issued new building permits for 58 ADUs and issued certificates of occupancy (completed) for 60 ADUs; the majority of which are located within existing single family neighborhoods. Since the start of the sixth cycle, the City has issued 138 building permits for ADUs and has issued 149 certificate of occupancy. In addition, the City completed a Development Code Update in July 2025, which includes a Housing Chapter to codify protocols and procedures for implementing new State housing laws, including refining guidance to facilitate the development of ADUs. Lastly, staff continues to implement State Senator Glazer's ADU Accelerator Program to accelerate ADU production through homeowner rebates. Livermore is eligible for approximately \$160,000, and staff expects to provide rebates to approximately 27 ADUs before September 2026. In 2025, staff received 15 eligible applications, 5 of which have been approved for a total of \$25,000 in ADU Rebate Funding awards. | Units | 138 | n/a |
| Program 1.3.1: Development Code Amendments B) Monitor ADU construction and affordability levels to determine whether the rate is on track to meet target numbers anticipated in this Housing Element. Implement additional actions, such as additional outreach, resources, or incentives, if targets are not met. See Program 1.4.1.D. | 58 ADU building permits between June 30th, 2022, and the end of 2024, with at least 30 in predominantly single-family neighborhoods. | 12/31/24 | 6th Cycle | In Progress | The City waives certain development fees for ADUs consistent with State ADU law. In 2025, the City issued new building permits for 58 ADUs and issued certificates of occupancy (completed) for 60 ADUs; the majority of which are located within existing single family neighborhoods. Since the start of the sixth cycle, the City has issued 138 building permits for ADUs and has issued 149 certificate of occupancy. | Units | 138 | n/a |
| Program 1.3.1: Development Code Amendments C) Continue to allow mobile and manufactured homes that meet State and City codes, as well as the City's design review requirements, in all residential districts. | 40 new mobile or manufactured homes over the next 8 years, encouraging at least 15 in high resource areas. | 12/31/31 | 6th Cycle | In Progress | The City issues permits for several manufactured units each year, typically for Accessory Dwelling Units. | Units | | n/a |
| Program 1.3.1: Development Code Amendments D) Establish standards for smaller unit types, such as tiny homes and single room occupancies to meet the housing needs of lower-income households and other populations at risk of displacement. | 20 small unit types over the next 8 years, encouraging at least 10 in high resource and single-family housing dominated areas, to prevent displacement and facilitate housing mobility opportunities. | 12/31/31 | 6th Cycle | In Progress | In 2025, the City made substantial progress toward establishing standards for smaller unit types, such as tiny homes, to better meet the housing needs of lower income households and populations at risk of displacement. As part of this effort, the comprehensive Development Code Update adopted in July 2025 includes new and expanded provisions that support a broader range of small form and supportive housing types. These amendments strengthen the City's regulatory framework for emergency shelters, mobile home protections, agricultural employee housing, and other supportive and special needs housing options, directly advancing the program's objective of diversifying housing choices for vulnerable residents. In addition to these regulatory updates, the City has also facilitated the development of new small unit housing in practice. In 2025, a conditional use permit was approved and building permits were issued for 28 tiny homes at Goodness Village, providing a meaningful increase in deeply affordable units, 23 serving extremely low income households and 5 serving very low income households. Together, the Development Code amendments and the delivery of the tiny homes demonstrate the City's commitment to expanding smaller unit types and ensuring that lower income and at risk populations have access to stable, affordable housing options. | Units | 28 | https://www.livermoreca.gov/departments/community-development/planning/development-projects/goodness-village |
| Program 1.3.1: Development Code Amendments E) Establish standards consistent with Senate Bill 9 to allow ministerial two-unit residential developments and lot splits in single-family zones. The City currently allows development of residential units and lot splits in compliance with Senate Bill 9. The City will encourage homeowners on large lots in predominantly single-family neighborhoods to consider SB 9 as an opportunity to introduce middle-density housing and the associated benefits. | 10 units through SB 9 infill development, encouraging construction in large-lot, single-family neighborhoods to promote housing mobility opportunities through increased density. | 12/31/31 | 6th Cycle | In Progress | The approved 2025 Development Code Amendments respond to all updates to new State housing laws, including SB 9. In 2025, one SB 9 application was approved and final map recorded. This was for a lot split only, creating one parcel for the existing home and one vacant buildable parcel. No new residential development application has been submitted for the newly created vacant parcel. | Units | | n/a |
| Program 1.3.1: Development Code Amendments F) Establish Objective Design Standards to facilitate streamlined project permitting. | n/a | 07/31/25 | 6th Cycle | Completed | The City has completed significant work toward establishing Objective Design Standards to support streamlined permitting for multifamily and mixed use housing. As part of the comprehensive Development Code Update adopted in July 2025, the City formally adopted Multifamily Objective Design Standards that provide clear, measurable, and predictable requirements for site planning, building form, frontage design, open space, and architectural elements. These standards ensure that qualifying housing projects can be reviewed ministerially or through a streamlined process consistent with State housing laws, including SB 35 and the Housing Accountability Act. The new Objective Design Standards apply citywide to multifamily and mixed use residential development and are intended to reduce subjectivity in project review, increase certainty for applicants, and accelerate housing production, particularly for projects that include affordable units. By adopting these standards as part of the Development Code Update, the City has fully implemented this program action and strengthened its ability to facilitate timely, consistent, and transparent approval of new housing. | Other | | https://www.livermoreca.gov/home/showpublisheddocument/13069/638913619583970000 |

ANNUAL ELEMENT PROGRESS REPORT
Housing Element Implementation

| Jurisdiction | | Livermore | | | | | | |
|--|--|--|------------------|----------------------------------|---|-------------------------------|----------------------------|--|
| Reporting Year | | 2025 (Jan. 1 - Dec. 31) | | | | | | |
| Table D | | | | | | | | |
| Program Implementation Status pursuant to GC Section 65583 | | | | | | | | |
| Housing Programs Progress Report | | | | | | | | |
| Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element. | | | | | | | | |
| 1 | 2 | 01/03/00 | 4 | 5 | 6 | 7 | 8 | 9 |
| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 1.3.1: Development Code Amendments G) Remove barriers to residential development of small properties. The specifics of these changes will be discussed when the Development Code Update gets underway in 2023 but could include adjustments to fees and requirements for setbacks, open space, parking, etc. As part of this work, the City will consider a more streamlined review process for smaller projects (see Program 1.4.1). | n/a | 12/31/31 | 6th Cycle | Continuous | The 2025 Development Code Update introduced streamlined review authorities for small residential projects, allowing many qualifying infill developments to be processed at the staff level rather than requiring Planning Commission or City Council review. This shift shortens approval timelines and provides greater predictability for property owners and small scale builders. These changes directly implement this housing program's intent by creating a more supportive regulatory environment for small parcel housing, encouraging incremental infill development, and expanding opportunities for a wider range of housing types throughout the city. | Other | | https://www.livermoreca.gov/departments/community-development/planning/development-code-update |
| Program 1.4.1: Reduce Governmental Constraints A) Identify opportunities to streamline permitting processes, including ministerial approvals and electronic application submittals and review. See also Program 1.3.1.G. The City is currently BETA testing electronic submittal in its Accela software permit tracking system with plans to accept electronic submittals. The new electronic public portal should be ready for electronic submittal of all projects in early 2023. | n/a | 12/31/31 | 6th Cycle | Continuous | As stated above, the 2025 Development Code Update introduced streamlined review authorities for small residential projects. In addition, the City implemented DigEplan software for electronic submittal of residential applications in 2024, which has required the digital submittal of project materials to further streamline the review process. In 2025, all residential permits were reviewed electronically. | Other | | n/a |
| Program 1.4.1: Reduce Governmental Constraints B) Establish standards to specify SB 35 and SB 330 streamlining approval processes and standards for eligible projects to promote provision of affordable housing. | n/a | 07/31/25 | 6th Cycle | Completed | The 2025 Development Code Update includes amendments to codify all updates to State housing laws, including SB 35 (refer to Chapter 11.61 Streamlined Review in Residential Zoning Districts) as well as includes local procedures for their implementation. In addition, the City's website includes a dedicated page called, "How to Submit an Application" with application materials and detailed instructions for applicants seeking relief under SB 35 or SB 330. | Other | | https://www.livermoreca.gov/departments/community-development/planning/development-code-update https://www.livermoreca.gov/home/showpublisheddocument/11854/638617431781400000 |
| Program 1.4.1: Reduce Governmental Constraints C) Monitor development fees to ensure they are reasonable and do not unduly constrain development while protecting the quality, health, and public safety of the community. Analyze the design review fee and all other fees required for multifamily development and reduce them if found to be a constraint. This would include adjusting fees for smaller unit types like ADUs, JADUs, tiny homes, and other missing middle housing. The analysis process will include meeting with multifamily developers/applicants to get their input regarding constraints associated with fees. | n/a | 07/31/31 | 6th Cycle | Continuous | In 2025, the City updated its development fees in accordance with local ordinance and conducted a review to ensure that fee levels remained aligned with actual service costs and did not disproportionately impact multifamily or small unit housing types such as ADUs, JADUs, tiny homes, and other missing middle housing. Beyond fee adjustments, the City has implemented several ongoing practices that demonstrate continued progress toward reducing governmental constraints. The 2025 Development Code Update introduced more flexible development standards for small site projects, streamlined review procedures, and clarified objective design requirements, all of which reduce soft costs and shorten entitlement timelines. In addition, the Draft General Plan 2045 includes Economic Development policies that directly support this program goal by promoting a predictable, business friendly regulatory environment and aligning land use and permitting processes with economic development objectives. For example, draft policies direct the City to ensure that land use regulations, permitting processes, and local fees support business friendly practices and reduce unnecessary barriers to development. Similarly, draft policies emphasize evaluating long term fiscal impacts of development decisions, which includes maintaining fee structures that are fair, transparent, and aligned with service costs. Together, these efforts show that the City is not only monitoring development fees but also taking a comprehensive, ongoing approach to reducing regulatory barriers and supporting the financial feasibility of housing across income levels. | Other | | n/a |
| Program 1.4.1: Reduce Governmental Constraints D) Continue to encourage the development of accessory dwelling units by waiving certain development impact fees. Promote the availability of these incentives in high resource areas to expand housing mobility opportunities for lower-income households. | Promote the development of 325 ADUs over the planning period, targeting at least 10 percent of those in high resource areas. (See Program 1.3.1.A) | 12/31/31 | 6th Cycle | Continuous | The City waives certain development fees for ADUs consistent with State ADU law. In 2025, the City issued new building permits for 58 ADUs and issued certificates of occupancy (completed) for 60 ADUs; the majority of which are located within existing single family neighborhoods. Since the start of the sixth cycle, the City has issued 138 building permits for ADUs and has issued 149 certificate of occupancy. In addition, the City completed a Development Code Update in July 2025, which includes a Housing Chapter to codify protocols and procedures for implementing new State housing laws, including refining guidance to facilitate the development of ADUs. Lastly, staff continues to implement State Senator Glazer's ADU Accelerator Program to accelerate ADU production through homeowner rebates. Livermore is eligible for approximately \$160,000, and staff expects to provide rebates to approximately 27 ADUs before September 2026. In 2025, staff received 15 eligible applications, 5 of which have been approved for a total of \$25,000 in ADU Rebate Funding awards. | Other | | https://www.livermoreca.gov/departments/community-development/permit-center/accessory-dwelling-units-adu/adu-accelerator-program |
| Program 1.4.1: Reduce Governmental Constraints E) Create user-friendly, accessible, and multi-lingual information guides about standards and review processes for residential projects (ADUs, SB 9 projects, SB 35 and SB 330 streamlining, etc.) to improve housing mobility. Make this information available on the City's website, at the Permit Center, and in local gathering places in areas of need such as the Rincon Branch library. | n/a | 12/31/31 | 6th Cycle | Continuous | Informational handouts for streamlining ADUs and SB9 are available on the City's website to help assist applicants during the application process. The City is developed additional informational guidance for SB 35 and SB 330 and will continue to update the materials as necessary to comply with State housing laws. In addition, the City's website includes a dedicated page called, "How to Submit an Application" with application materials and detailed instructions, including SB 35 and SB330). | Other | | https://www.livermoreca.gov/home/showdocument?id=1343281=639032571684152637 |

| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 1.4.1: Reduce Governmental Constraints F) Improve internal systems for collecting, tracking, and analyzing housing project data to better understand housing development trends in Livermore and streamline annual State reporting requirements. | n/a | 12/31/31 | 6th Cycle | Continuous | The City continues to improve internal systems for collecting, tracking, and analyzing housing project data to better understand development trends and streamline annual State reporting requirements. The City uses Accela as its primary permit tracking platform, allowing staff to record, monitor, and extract detailed information on all residential development applications, approvals, and permits. Accela's structured data fields and reporting tools support consistent tracking of project milestones, unit counts, affordability levels, and processing timelines. Key metrics required for the Annual Progress Report (APR) and ongoing Housing Element monitoring. The City expanded these capabilities by implementing DigEplan in 2024, an electronic plan review system that requires digital submittal of all residential project materials. This transition to electronic review has significantly improved the City's ability to organize, store, and retrieve project documents; track review cycles; and maintain a complete digital record of housing applications. By 2025, all residential applications were reviewed electronically, enabling more accurate data capture, reducing manual processing, and improving coordination across departments. The integration of DigEplan with Accela also enhances the City's ability to generate consistent, real time data for State reporting and internal analysis, supporting more informed decision making and helping identify trends or constraints in housing production. Together, these improvements demonstrate the City's ongoing commitment to modernizing internal systems and reducing administrative barriers to housing development. | Other | | n/a |
| Program 1.5.1: Universal Design Update the City's residential design guidelines and standards to encourage "visitability" and universal design features in new homes and accessory dwelling units. | A) 10 universal design housing units to facilitate accessibility for persons with disabilities and seniors; encouraging at least 5 of these units to be located near transit stations and services. | 12/31/31 | 6th Cycle | Continuous | The City adopted Mixed-Use and Multifamily Objective Design Standards (MODS) as part of the July 2025 Development Code Update. These standards include clear, measurable requirements for building entries, circulation, open space, and site design that support accessibility and ease of movement for people of all ages and abilities. Features such as accessible pedestrian connections, ground floor entry requirements, and objective standards for common areas help ensure that new multifamily housing incorporates elements consistent with universal design principles. In addition, the City's Pre Approved ADU Program offers a selection of ready to use ADU plan sets from multiple designers, which streamlines permitting and reduces design costs for homeowners. While the pre approved plans vary by designer and layout, the program makes it easier for residents to select ADU designs that can incorporate universal design or visitability features where desired. As the City continues updating its residential design guidelines, the MODS and the pre approved ADU program together provide a strong foundation for expanding universal design considerations across a wider range of housing types. | Other | | https://www.livermoreca.gov/hom/es/showpublisheddokument/13069/638913619583970000 https://www.livermoreca.gov/departments/community-development/permit-center/pre-approved-accessory-dwelling-unit-adu |
| Program 1.5.1: Universal Design Expand consumer awareness by providing information on universal design features at the City's Permit Center and develop resource information for the City's Permit Center website. | B) n/a | 12/31/31 | 6th Cycle | Continuous | As part of the broader modernization of permitting systems, staff now provides digital access to residential design standards, including the MODS adopted in July 2025, which contain clear, easy to understand requirements for mixed-use and multifamily development related to building entries, circulation, and site design that support accessibility for residents of all ages and abilities. These materials are available both at the Permit Center and online, making it easier for applicants, homeowners, and designers to understand how universal design principles can be incorporated into new housing. | Other | | n/a |
| Program 1.5.1: Universal Design C) Continue to implement Building Code accessibility requirements that apply to projects that incorporate universal design features to promote integrated housing accessible to seniors and persons with disabilities. | C) See Program 1.5.1A | 12/31/31 | 6th Cycle | Continuous | The City continues to implement state mandated Building Code accessibility requirements, which ensure that new residential projects incorporate features that support accessibility for seniors and persons with disabilities. These standards, such as requirements for accessible routes, adaptable units in multifamily buildings, and compliant bathroom and doorway dimensions, are applied consistently through plan review and inspections. By enforcing these provisions, the City promotes integrated, accessible housing across all new development. | Other | | n/a |
| Program 1.5.2: Licensed Community Residential Care Facilities A) Consistent with State law, continue to allow Residential Care Facilities serving 6 or fewer persons in all residential districts as a means of providing housing for special needs groups. Update the Development Code to allow this size of facility in additional zoning districts where required by State law. | A) n/a | 12/31/31 | 6th Cycle | Continuous | The Livermore Development Code continues to comply with state law by allowing licensed community residential care facilities in all the residential zoning districts. | Other | | n/a |
| Program 1.5.2: Licensed Community Residential Care Facilities B) To affirmatively promote more inclusive communities, the City will update the Development Code requirements for Residential Care Facilities serving 7 or more persons to permit them as a residential use subject to the same standards that apply to other residential uses of the same type in the same zone. | B) n/a | 12/31/31 | 6th Cycle | Continuous | The City currently requires a Conditional Use Permit for Residential Care Facilities serving seven or more persons. As part of the comprehensive Development Code Update adopted in July 2025, staff reviewed the zoning and use classifications for larger residential care facilities to ensure consistency with State law and to evaluate whether additional adjustments could support more inclusive community integration. The City will continue to assess the feasibility of permitting these facilities as a residential use subject to the same standards as comparable residential uses, and will consider potential code amendments in a future update if determined to be appropriate and consistent with local land use patterns and operational requirements. | Other | | n/a |
| Program 1.5.3: Special Housing Needs A) Work with housing providers to ensure that special housing needs are addressed to reduce displacement risk for large families, female-headed households, college students, and single-parent households with children, through a combination of regulatory incentives, zoning standards, affordable housing programs described in Goal 3, rehabilitation and neighborhood improvement efforts described in Goal 4, and supportive services programs. The City will also continue to encourage the production of units with three or more bedrooms for large families in moderate- and high-resource areas to facilitate housing mobility opportunities for lower-income households and households with special needs. | A) Support the creation or rehabilitation of at least 100 units of housing for people and families with special housing needs over the planning period through development agreements with Eden Housing and the Livermore Housing Authority to develop projects such as Downtown Livermore Apartments. | 12/31/31 | 6th Cycle | In Progress | In 2025, the City supported programs that expand the supply of housing units for families with special housing needs through partnerships with Eden Housing and Livermore Housing Authority on projects such as Downtown Livermore Apartments, and the Family Homeless Challenge Program at Leahy Square Apartments which will serve families with children in 3-Bedroom units. The Downtown Livermore Apartments is currently in the financing stage. The City has also provided anti-displacement support through partnerships with Centro Legal for eviction moratorium trainings, and workshops. The City has partnered with ECHO Housing to provide fair housing and tenant protection services to Livermore residents. | Other | | n/a |

ANNUAL ELEMENT PROGRESS REPORT

| Housing Programs Progress Report | | | | | | | | |
| Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element. | | | | | | | | |
| 1 | 2 | 01/03/00 | 4 | 5 | 6 | 7 | 8 | 9 |
| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 1.5.3: Special Housing Needs B) | Work with housing providers to ensure that special housing needs are addressed to reduce displacement risk for persons with physical, behavioral, and developmental disabilities through a combination of regulatory incentives, zoning standards, affordable housing programs described in Goal 3, rehabilitation and neighborhood improvement efforts described in Goal 4, and supportive services programs. The City will also continue to encourage the production of units with special adaptations for people with disabilities, per California Title 24 standards. | 12/31/31 | 6th Cycle | In Progress | In 2025, The City explored additional housing options with Tri-Valley REACH to expand housing for persons with physical, behavioral, and developmental disabilities. Also, the City assisted Housing Consortium of the East Bay in extending their Development Loan Agreement to allow for additional time for predevelopment activities for a 17-unit formally homeless seniors living with disabilities housing project. Final Plans are expected to be complete in mid-2026 and go through Planning Commission and City Council approvals. | Other | | n/a |
| Program 1.5.3: Special Housing Needs C) | Work with housing providers to ensure that special housing needs are addressed to reduce displacement risk for seniors through regulatory incentives, zoning standards, affordable housing programs described in Goal 3, rehabilitation and neighborhood improvement efforts described in Goal 4, and supportive services programs. The City will also continue to encourage the production of senior housing, including assisted living facilities and application of universal design standards in new housing units. | 12/31/31 | 6th Cycle | In Progress | In 2025, the City continuously supported grants and programs that expand the supply of housing units for seniors, such as the Senior Support Program of the Tri-Valley and Community Resources for Independent Living (CRIL), and encourage seniors and disabled persons to age in place and to facilitate independent living. The Pacific Avenue Senior Apartments Phase 1 project, which will provide 78 units for seniors, was approved for tax credit financing in 2024 and received Council approval for their development loan in 2025. Construction began in 2025 with an expected completion and lease up goal set for late 2025/early 2026. The City extended our Loan Agreement with Housing Consortium of the East Bay to allow additional time for predevelopment activities in planning to develop a 17-unit senior housing development for formally homeless seniors. | Other | | n/a |
| Program 1.5.3: Special Housing Needs D) | Support "aging in place" through community design, partnering with organizations that provide support services, and encouraging accessibility improvements to rental housing. | 12/31/31 | 6th Cycle | In Progress | The City continuously seeks partnerships with non profit services agencies to identify opportunities to make housing units for seniors and persons with disabilities more accessible such as the Senior Support Program of the Tri-Valley and Community Resources for Independent Living (CRIL), and encourage seniors and disabled persons to age in place and to facilitate independent living. | Persons | 55 | n/a |
| Program 1.5.3: Special Housing Needs E) | Work with housing providers to ensure that special housing needs are addressed to reduce displacement risk for extremely low-income unhoused individuals and families through a combination of regulatory incentives, zoning standards, affordable housing production and preservation programs described in Goal 3, and supportive services programs. The City will also continue to encourage the production of smaller units to address the shortage of affordable units for single adults experiencing homelessness, including single-room occupancy units in areas accessible to support services and transit opportunities. | 12/31/31 | 6th Cycle | Continuous | In January 2024, the Vineyard project opened its doors to 24 extremely and very low-income, formerly homeless households in need of permanent supportive housing. In 2025, all units remained occupied with a total of 26 individuals being housed. The project continues offers community meal programs, shower and laundry services and an emergency shelter that will assist in stabilizing individuals to better connect them to housing opportunities. In addition, the City is working with Housing Consortium of the East Bay as they are in predevelopment phases for a 17-unit senior, previously homeless housing development. | Units | 24 | n/a |
| Program 1.5.3: Special Housing Needs F) | Increase the supply of housing affordable to farmworkers, many of whom are lower income. Review the Development Code for compliance with the state Employee Housing Act (Health & Safety Code Sections 17021.5, 17021.6, and 17021.8). If needed to comply with the Act, make amendments to allow housing for 6 persons or less in residential zones in the same way residential structures are allowed (Section 17021.5). Also, if needed, allow for employee housing of no more than 12 units or 36 beds as an agricultural use, and permit in the same manner as other agricultural uses in the same zone (Section 17021.6). Finally, make amendments if needed to address the requirements of Section 17021.8 which requires ministerial approval of certain farmworker housing projects that meet the criteria in that section. | 12/31/31 | 6th Cycle | Continuous | The City reviewed its Development Code for consistency with the State Employee Housing Act as part of the 2025 Development Code Update, and Chapter 11 now reflects updated use classifications that ensure compliance with State requirements for agricultural and employee housing. The updated zoning tables confirm that employee housing for six or fewer workers is treated the same as a single family residential use, consistent with Health & Safety Code §17021.5. Chapter 11 also includes provisions allowing employee housing of up to 12 units or 36 beds as an agricultural use in zones where agricultural uses are permitted, aligning with §17021.6. The City will continue to apply ministerial review for qualifying farmworker housing projects as required by §17021.8. | Other | | https://www.livermoreca.gov/hom/es/showpublisheddocument/13113/638919015116000000 |
| Program 1.5.3: Special Housing Needs G) | Incorporate the needs of farmworkers and their families into City affordable housing programs. The City may also support providers of farmworker housing in accessing state and federal funds. | 12/31/26 | 6th Cycle | In Progress | In 2026, staff met with Tri-Valley Conservancy to discuss farmer worker specific housing as well as additional affordable housing areas for expansion in preparation of the farmworker housing brief. To be implemented before the end of the 2026 program period. | Other | | n/a |

| Program Implementation Status pursuant to GC Section 65583 | | | | | | | | |
| Housing Programs Progress Report | | | | | | | | |
| Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element. | | | | | | | | |
| 1 | 2 | 01/03/00 | 4 | 5 | 6 | 7 | 8 | 9 |
| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 1.5.3: Special Housing Needs H) Require affordable housing developers to partner with trusted community partners to coordinate outreach about affordable housing opportunities and to assist farmworkers and their families in applying for affordable housing. | Adopt affordable rental development guidelines that include outreach requirements for farmworkers. | 03/31/26 | 6th Cycle | In Progress | The City is developing affordable rental standards and requirements, which include accessible and multilingual outreach strategies. Implementation of the adopted and revised guidelines is expected in March 2026 | Other | | n/a |
| Program 1.5.3: Special Housing Needs I) Conduct targeted and multilingual outreach strategies described in Program 3.3.1 for groups with special housing needs to increase access to City housing programs | See Program 3.3.1 | 12/31/31 | 6th Cycle | Continuous | The City is developing affordable rental standards and requirements which will include accessible and multilingual outreach strategies and will update existing affordable homeownership guidelines. Implementation of the adopted and revised guidelines is expected in March 2026. This City also updated their Affordable Homebuyer Guidelines with required outreach and marketing standards. | Other | | https://www.livermoreca.gov/home/show/publish/345document/9914/638126556415200000 |
| Program 1.5.3: Special Housing Needs J) Update the City's findings for Reasonable Accommodation to remove the following findings: 1) Whether there are alternatives to the requested waiver or exception that could provide similar benefits to the applicant with less potential detriment to surrounding owners and occupants or to the general public and 2) Physical attributes of the property and structures to ensure the findings are objective and consistent with fair housing laws. | n/a | 12/31/31 | 6th Cycle | Continuous | The City reviewed its Reasonable Accommodation procedures as part of the Development Code Update; however, Chapter 11 of the July 2025 update does not include revised Reasonable Accommodation findings. Provisions for Reasonable Accommodations can be in Chapter 9.06 of the LDC. The City will continue to evaluate and update its Reasonable Accommodation provisions to remove subjective findings and ensure full consistency with State and federal fair housing laws. Additional code amendments may be completed in a future update to fully implement this program. | Other | | https://www.codepublishing.com/CA/Livermore/ |
| Program 2.1.1: Monitor Infrastructure Needs A) Continue to analyze infrastructure needs and capacity to balance residential growth with the provision of adequate infrastructure and services. | n/a | 12/31/31 | 6th Cycle | Continuous | The City continues to monitor infrastructure needs to ensure that residential growth is supported by adequate public facilities and services. The General Plan Update and its associated Environmental Impact Report (EIR) will evaluate citywide infrastructure capacity based on the draft General Plan Land Use Map, with Planning Commission and City Council hearings anticipated in summer 2026 for certification and adoption. In addition, the 2023-2028 Capital Improvement Program (CIP) includes infrastructure projects that implement the General Plan, Specific Plans, and Neighborhood Plans, ensuring that planned growth is aligned with ongoing investments in transportation, utilities, and public facilities. | Other | | https://imagine.livermore2045.org/draft-general-plan-2045/ https://www.livermoreca.gov/departments/community-development/engineering/capital-improvement-plan-projects |
| Program 2.1.1: Monitor Infrastructure Needs B) Review infrastructure needs to support intensified development on infill sites within city limits and in the Downtown area; program improvements and upgrades into the City's CIP. | n/a | 12/31/31 | 6th Cycle | Continuous | The City annually reviews and amends its CIP as needed to accommodate upgrades to support intensified development. The 2023-2028 CIP includes Downtown revitalization projects such as the Livermore Village Parking Garage, Flagpole Plaza and Downtown Streetscape Improvements, Downtown Sidewalk and Miscellaneous ADA Improvements, Downtown Landscape Rehabilitation, and Veterans Park. | Other | | https://www.livermoreca.gov/departments/community-development/engineering/capital-improvement-plan-projects |
| Program 2.1.1: Monitor Infrastructure Needs C) Work with the City's water and sewer providers to ensure the availability and adequate capacity of water and wastewater systems to accommodate the housing needs during the planning period. | n/a | 12/31/31 | 6th Cycle | Continuous | The City's 2023-2028 CIP includes improvements/upgrades to water and wastewater systems. The City continues to work with Cal Water Service Company during the review of projects within their service area. | Other | | see above |
| Program 2.1.1: Monitor Infrastructure Needs D) Provide a copy of the Housing Element and any future amendments to the utility providers immediately after adoption. | n/a | 03/31/23 | 6th Cycle | Completed | Completed for the 2023-2031 Housing Element. In addition, the Housing Element is available on the City's website at: https://www.livermoreca.gov/departments/community-development/planning/housing-element . No updates to the Housing Element have occurred. | Other | | https://www.livermoreca.gov/departments/community-development/planning/housing-element |
| Program 2.1.2: Support Mixed-Use, Transit-Oriented, and Equitable Development A) Promote lot consolidation to increase opportunities for mixed-use development. | n/a | 12/31/31 | 6th Cycle | Continuous | The City continues to support lot consolidation as a strategy to facilitate mixed use and higher intensity development in areas planned for compact, efficient, and transit supportive growth. The 2003 Livermore General Plan provides the policy basis for this approach through goals and policies that encourage infill development, efficient land use, mixed use development, and coordinated site planning, such as including Land Use goals to promote a compact land use pattern and policies to encourage infill and efficient use of land, and promote coordinated site planning across multiple parcels. The General Plan Update will carry forward and strengthen these principles by continuing to support parcel consolidation as a tool to achieve cohesive, well designed mixed use and transit oriented development. Through development review and pre application guidance, the City continues to encourage applicants to consolidate parcels where appropriate to advance these objectives. | Other | | see previous link for Draft General Plan |
| Program 2.1.2: Support Mixed-Use, Transit-Oriented, and Equitable Development B) Continue to require minimum residential densities in areas designated for transit-oriented, mixed-use development to ensure higher density in these areas and promote mixed-income neighborhoods. The City is already implementing trail connections as shown in the City's adopted Active Transportation Plan and frontage sidewalk and mobility curb cuts as a condition of approval on development projects. The City is planning to build some key trail connections as a city CIP project (e.g. Arroyo Road trail, Arroyo Las Positas Trail). Finally, the City is midway through an intensive public outreach process to design and implement improvements to the East Avenue corridor to improve safety and usability for pedestrians and bicyclists. | n/a | 12/31/31 | 6th Cycle | Continuous | The City continues to require minimum residential densities in areas designated for mixed use and transit oriented development to ensure higher intensity housing and support mixed income neighborhoods. The Draft Livermore General Plan 2045 reinforces this approach by establishing minimum densities in transit priority areas such as Downtown, the Isabel Station Area, and the Midtown area (via a future Specific Plan), where higher density housing is essential to support future regional rail service and the existing ACE station. The City is also advancing multimodal investments that strengthen transit oriented development, including trail connections identified in the Active Transportation Plan and implemented through the 2023-2028 Capital Improvement Program, such as the Arroyo Road Trail and Arroyo Las Positas Trail. In addition, the City has conducted a robust public outreach process for the East Avenue Corridor Study, which is developing pedestrian, bicycle, and safety improvements that will further support walkable, transit supportive neighborhoods. | Other | | see previous link for Draft General Plan |

| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents | |
| Program 2.1.2: Support Mixed-Use, Transit-Oriented, and Equitable Development C) Continue to use existing density incentives and develop additional incentives to promote mixed-use and more intense residential development near transit to facilitate income integration. | n/a | 12/31/31 | 6th Cycle | Continuous | The City continues to use existing density incentives and is developing additional tools to promote mixed use and higher intensity residential development near transit to support income integration. The Draft General Plan Update strengthens this approach by establishing minimum residential densities and encouraging the use of density bonuses, flexible development standards, and streamlined approvals in transit priority areas, including the future Midtown Specific Plan Area, which is planned to accommodate the highest concentration and diversity of housing types in the city. Midtown's location, anchored by the existing Vasco ACE Station and a planned future regional light rail, positions it as a major transit oriented district where higher density residential and mixed use development will be supported through incentives and coordinated planning. As part of the General Plan Update, the City is evaluating additional incentive based tools to encourage mixed income housing and more intense residential development in these transit served areas. | Other | | see previous link for Draft General Plan | |
| Program 2.1.2: Support Mixed-Use, Transit-Oriented, and Equitable Development D) Update existing community benefit and/or other land value recapture strategies such as the Human Services Facility Fee to increase proximity to services and other opportunities throughout the city to improve place-based strategies toward community revitalization. | Update at least one community benefit strategy within 5 years of Housing Element adoption. | 03/13/28 | 6th Cycle | Completed | The City identified and worked with a consultant on a Nexus study to update the Human Services Facility Impact Fee. This development impact fee supports the construction of new community care facilities that address the expanding need for community services that comes with new residential development. | Other | | n/a | |
| Program 3.1.1: Inclusionary Housing Ordinance Continue to implement the inclusionary housing ordinance and continue to require developers to identify the location of inclusionary units. Work to approve inclusionary units in moderate- and high-resource areas to facilitate housing mobility opportunities for lower- and moderate-income households and encourage partnerships between supportive housing providers and developers to implement inclusionary housing requirements. | A) Produce at least 100 affordable units for low- and moderate-income households through the inclusionary housing ordinance, encouraging at least half of these units to be integrated into low-density and single-family dominated neighborhoods, or in high resource areas. | 12/31/31 | 6th Cycle | Continuous | In 2025, the City executed Low Income Housing Agreements with a developer of one (1) new residential, for-sale projects securing 6 affordable units for median and moderate income buyers in the future. The City is working with 3 additional developers on finalizing their Low Income Housing Agreements and anticipate these will be executed in early-mid 2026. | Units | 6 | n/a | |
| Program 3.1.1: Inclusionary Housing Ordinance Implement accessible and multilingual communication and outreach strategies for potential tenants and owners of inclusionary units. | B) Adopt policies and procedures with inclusive outreach and marketing standards. | 12/31/31 | 6th Cycle | Continuous | The City is developing affordable rental standards and requirements which will include accessible and multilingual outreach strategies and will update existing affordable homeownership guidelines. Implementation of the adopted and revised guidelines is expected in March 2026. This City also updated their Affordable Homebuyer Guidelines with required outreach and marketing standards. | Other | | https://www.livermoreca.gov/home/showpublisheddocument/9914/638126556415200000 | |
| Program 3.1.2: Density Bonuses and Incentives Continue to ensure new residential projects are consistent with current State Density Bonus regulations and continue to encourage the use of both the State Density Bonus Program and the City's density incentives for affordable and senior housing. In addition, update the local density bonus regulations as needed during the planning period for consistency with State Density Bonus law. The City reviews Density Bonus applications in compliance with state law even if an update to the local ordinance is pending. | A) 125 lower income units, encouraging at least 50 in high resource areas to facilitate housing mobility, and 30 in low resource areas to reduce potential for displacement. | 12/31/31 | 6th Cycle | Continuous | The City continues to ensure that new residential projects comply with current State Density Bonus regulations and accommodates the use of both State and local density incentives to support affordable and senior housing. The 2025 Development Code Update includes a comprehensive revision of State Density Bonus provisions, Chapter 11.40 (Density Bonus), which brings local regulations into alignment with State Law by updating eligibility criteria, bonus calculations, parking reductions, incentives and concessions, and waiver provisions. These updates ensure that qualifying mixed income, affordable, and senior housing projects can access increased density and modified development standards consistent with State requirements. The City also continues to review Density Bonus applications in full compliance with State law, even when additional local refinements may be considered during the planning period to maintain consistency with future legislative changes. | Other | | n/a | |
| Program 3.2.1: Affordable Housing Fund A) Continue to administer the Low-Income Housing Impact and In-Lieu fees and use the Affordable Housing Fund to provide affordable and permanent supportive housing opportunities for extremely, very, and low income households and people with special housing needs, encouraging the use of these programs for projects in high resource areas, or in areas which reduce potential for displacement of residents in their existing neighborhoods. | B) Provide funding to at least three affordable housing projects that create homes for lower income households (20 percent to 80 percent of Area Median Income) and people with special housing needs in moderate or high resource areas. | 12/31/31 | 6th Cycle | Continuous | The City continues to meet with affordable housing developers and provide assistance and support in development projects, including the first phase of the Pacific Avenue Senior Apartment project as discussed in program 3.2.1C below. The City anticipates providing funding to projects in 2026. | Other | | n/a | |
| Program 3.2.1: Affordable Housing Fund B) Pursue additional funding sources and opportunities to leverage existing funding to increase resources for affordable housing programs. | C) Apply to an average of 1 funding source annually to support affordable housing programs | 12/31/31 | 6th Cycle | Continuous | In 2025, the City applied for funding for a temporary housing project through Alameda County's Measure W funding application to provide up to 4,000 bed nights for previously homeless individuals as they transition to affordable housing placement. The City also provided support for Eden Housing's Measure W funding from Alameda County for the Downtown Livermore Apartment, where Eden Housing was awarded 6.1 million dollars. The City applied for funding through HCD Local Housing Trust Fund for Pacific Avenue Senior and was awarded \$1,603,257.37 in September 2025. | Other | 2 | n/a | |
| Program 3.2.1: Affordable Housing Fund C) Continue waiving applicable fees and provide funding to offset development fee costs for affordable units, prioritizing those that provide the greatest level of affordability and serve special needs households, to facilitate new affordable housing opportunities in moderate and high resource areas. | D) Waive fees or provide funding for the creation of 50 affordable units that create homes for lower income households and people with special housing needs in moderate or high resource areas. | 12/31/31 | 6th Cycle | Continuous | The City was awarded \$1,603,257.37 in Round 5 of the Local Housing Trust Fund Program for Fiscal Year 2024-2025 to support the Pacific Avenue Senior Project, bringing a total of 140 affordable rental units for seniors. Construction began in 2025 on Phase 1 of the project, with an expected completion and lease up in early 2027 for 79 units. | Units | 79 | https://www.livermoreca.gov/departments/community-development/planning/development-projects/pacific-avenue-senior-housing | |

| Program 3.2.2: Support Acquisition and Development of New Sites for Affordable Housing A) In an effort to facilitate new affordable housing opportunities, utilize a variety of methods to increase the inventory of properties for future development of affordable and permanent supportive housing, including land dedication and acquisition of properties for conversion or construction of affordable units in opportunity-rich locations near transit, services, and key amenities. | Support a nonprofit partner's acquisition of at least one new affordable housing site during the planning period | 12/31/31 | 6th Cycle | Continuous | The City continues to support nonprofit partner's acquisition and research available sites and funding for new development sites. | Other | | n/a |
| Program 3.2.2: Support Acquisition and Development of New Sites for Affordable Housing B) Continue to provide financial resources to nonprofit organizations like Housing Consortium of the East Bay (HCEB) and Bay Area Community Services to increase the existing affordable housing stock through market rate conversions and adaptive reuse, prioritizing units that both prevent displacement in low resource areas and facilitate access to moderate and high resource areas. | Support the acquisition and conversion of at least one market rate property to affordable housing within 2 years of Housing Element adoption. | 12/31/31 | 6th Cycle | Continuous | The City continues to coordinate with non-profit developers to identify market rate opportunities for conversion to affordable housing. No such opportunities came to fruition in 2026. | Other | | n/a |
| Program 3.2.2: Support Acquisition and Development of New Sites for Affordable Housing C) Evaluate and support alternative financing models to assist the acquisition or development of affordable middle-income housing, potentially in partnership with regional agencies. | As opportunities arise | 12/31/31 | 6th Cycle | Continuous | The City continues to coordinate with non-profit developers to identify market rate opportunities for conversion to affordable housing. No such opportunities came to fruition in 2026. | Other | | n/a |
| Program 3.2.2: Support Acquisition and Development of New Sites for Affordable Housing D) Develop affordable housing on City-owned sites in opportunity-rich locations in compliance with the Surplus Land Act. Development support for housing on City-owned sites shall include site preparation (e.g. environmental testing and community outreach), project funding via affordable housing loans, and land dedication. Projects on City-owned sites will provide housing affordable to persons and families of low- or moderate-income, at least 80% of the area of each property will be used for development of housing, and at least 40% of the housing units developed on each property will be affordable to households whose income is not greater than 80% area median income, of which at least one-half will be affordable to households of very low-income (50% AMI). Affordable housing developers for all City-owned sites will be selected through a competitive process that complies with the Surplus Land Act. | Support development of affordable housing on at least three City-owned sites, including Pacific Avenue, North M Street, and 2047 First Street. | 12/21/25 | 6th Cycle | Continuous | Pacific Avenue Senior Housing began construction and is set to begin the marketing and lease up process for 79 affordable senior units by the end of 2026. Staff have completed tenant relocation at 241 North M St and are preparing for demolition and an RFP release to obtain a developer for affordable housing at this site by end of 2026. Staff continue to research available developers and affordable housing concepts for 2047 First St. | Other | | n/a |
| Program 3.2.3: Partner with Affordable Housing and Service Providers A) Coordinate and foster partnerships with nonprofit housing developers, community-based organizations, the Livermore Housing Authority, school district, and applicable federal, state, and regional agencies to facilitate the development of quality affordable and permanent supportive housing through projects such as the Leahy Square Supportive Housing program. | Launch the Leahy Square Supportive Services Program within 1 year of Housing Element adoption and create 12 units of supportive bridge housing for unhoused students and their families | 12/31/31 | 6th Cycle | Continuous | The Family Homelessness Challenge Grant program, assisting homeless or at-risk of homelessness families of Livermore Unified School District is in the third year of the grant funding cycle. Fifteen families are residing in Leahy Square and 87% of program participants are participating in Intensive Case Management with LifeSteps. The program has evolved into a multi-level of self-sufficiency programs that provide pathways and classes for the families to become independent. The school district and non-profit partners meet regularly to plan continued program enhancements and expansion. | Other | | n/a |
| Program 3.2.3: Partner with Affordable Housing and Service Providers B) Continue to allow developers of affordable units to pay applicable development impact fees over time or delay payment until occupancy to help meet affordable housing targets. | n/a | 12/31/31 | 6th Cycle | Continuous | As project applications are submitted, the City continues to encourage developers to meet inclusionary requirements and explore opportunities for affordable development incentives for very low and low income units. | Other | | n/a |
| Program 3.2.3: Partner with Affordable Housing and Service Providers C) Continue to meet regularly with developers to discuss incentive opportunities and provide technical assistance to promote affordable housing opportunities to prevent displacement in low resource areas and facilitate access to moderate and high resource areas | Target assistance and incentive efforts to accommodate RHNA of up to 1,317 very low- and 758 low-income units. | 12/31/31 | 6th Cycle | Continuous | In 2025, the City met with four developers to discuss Inclusionary requirements and affordable development incentives for very low and low income units for several projects in the Isabel Neighborhood Specific Plan and a future project near the Springtown neighborhood. | Meetings | 4 | n/a |

| Program 3.2.3: Partner with Affordable Housing and Service Providers D) Support efforts to redevelop and create additional extremely low- and very low- income affordable units at existing affordable housing sites, such as Leahy Square, Vandenburgh Villa, Arbor Vista, Arroyo Mocho, as well as through producing accessory dwelling units at supportive shared housing sites such as Crane Avenue and others described in Section 2.4. | Facilitate production through funding and technical assistance of additional units on at least two existing affordable housing sites | 12/31/31 | 6th Cycle | Continuous | The City continues to work with the Livermore Housing Authority to review feasibility studies and basic site capacity studies for the expansion of Leahy Square. This future project could add 50-100 units to the former public housing site. | Meetings | 2 | n/a |
| Program 3.3.1:Public Outreach Implement multilingual communication and outreach strategies for City-funded affordable housing developments | A) Incorporate multilingual outreach standards into the City's guidelines for affordable rental projects | 12/31/31 | 6th Cycle | Continuous | The City is working to develop rental guidelines and standards for developers to conduct multi-lingual outreach with various distribution avenues and anti-displacement policies. The City has also partnered with community providers such as Centro Legal to provide anti-displacement communications in Spanish, Simplified Chinese, Farsi, and Tagalog. | Other | | n/a |
| Program 3.3.1:Public Outreach B) Provide translation services for Spanish, and other languages such as Farsi, Mandarin, and Cantonese as needed, at all public meetings and ensure all public materials are translated and made available. | n/a | 12/31/31 | 6th Cycle | Continuous | The City has contracted with translation vendors to provide verbal and written translation in many languages, including Spanish, Simplified Chinese, Farsi and Tagalog. American sign language translators are also available upon request. | Other | | n/a |
| Program 3.3.1:Public Outreach C) Participate in efforts to design a regional application system and housing search tools | Requirements for developers to list affordable units in a regional application system once the | 12/31/31 | 6th Cycle | Continuous | The City coordinates monthly with Alameda County and its other constituent cities to discuss regional housing issues, including the expansion of a centralized affordable housing application system. | Meetings | 12 | n/a |
| Program 3.3.1:Public Outreach D) Affirmatively market affordable housing opportunities to members of protected classes outside of Livermore. | Adopt affordable rental development guidelines that include outreach requirements for protected classes outside of | 12/31/31 | 6th Cycle | Continuous | The City is developing affordable rental standards and requirements which will include outreach strategies that extend to protected classes outside Livermore. Implementation of the guidelines is expected in March 2026. | Other | | n/a |
| Program 3.4.1: Support for Low and Moderate Income Homeowners A) To facilitate housing mobility opportunities, continue to provide mortgage assistance for down payment, closing costs, and secondary financing to low- and moderate-income first-time homebuyers. | Continue to provide First-Time Homebuyer Down Payment Assistance to an average of three low and moderate-income households annually. | 12/31/31 | 6th Cycle | Continuous | The City conducted 4 workshops in 2025 for the First-time Homebuyers, including Homebuyer Downpayment Assistance consultations and reviews of applications. The City continues to provide information that educates the community about the available programs and consistently maintains a housing hotline that provides necessary responses to the community. Materials (English and Spanish) are posted on the City's website and distributed at City libraries, City Hall and the Multi-Service Center, local businesses, and Chamber of Commerce. Also in 2025, the City provided down payment assistance to 6 low and moderate income households. Staff are revising the Mortgage Assistance Program guidelines and recommending an additional allocation of \$200,000 for FY 2025-26 and \$200,000 for FY 2026-27 from the City's Mortgage Assistance Fund. This fund, which includes loan repayments from current and former Below Market Rate (BMR) homeowners, will be used to expand assistance opportunities for First-Time Homebuyers. | Households | 6 | n/a |
| Program 3.4.1: Support for Low and Moderate Income Homeowners B) To facilitate housing mobility opportunities, continue to target persons with disabilities, non-English speakers, affordable rental housing tenants, immigrants, and low-income households for participation in homeownership programs. Distribute materials at service centers or community gathering places for target populations. | Execute at least two targeted outreach methods when marketing available BMR homeownership units. | 12/31/31 | 6th Cycle | Continuous | Homeownership program information is distributed via quarterly newsletters, social media posts, e-blasts to City housing interest list subscribers, provide Spanish translated materials to the local businesses and multi-family developments with predominantly non-English speaking clientele/residents. Materials are also distributed to LVJUSD teachers, local businesses and Chamber of Commerce. In 2025, three outreach workshops/events were conducted targeting lower-income and predominantly non-English speaking (Spanish) residents in the City. The printed brochures and other supported information was also distributed between three library branches. Outreach activities included farmer's markets, cultural events and festivals. | Other | 2 | n/a |
| Program 3.4.1: Support for Low and Moderate Income Homeowners C) To facilitate housing mobility opportunities, align documentation and eligibility requirements with County programs, including the use of individual taxpayer identification numbers. | Update program requirements to remove access barriers. | 12/31/31 | 6th Cycle | Continuous | The City updated and implemented existing affordable homeownership guidelines to better align with other funder requirements that remove access barriers. Staff are working to update our Mortgage Assistance Program guidelines to further remove access barriers with an expected implementation in March 2026. | Other | | n/a |
| Program 3.4.1: Support for Low and Moderate Income Homeowners D) Continue to promote and provide information about the program on the City's website, newsletter, through small distribution, local advertising, and with brochures and handouts at the City's permit center counter, libraries, and community events. | Disseminate resources at least one community event annually | 12/31/31 | 6th Cycle | Continuous | Program information is distributed via quarterly newsletters, social media posts, e-blasts to City housing interest list subscribers, and flyers distributed throughout the City's multi-family complexes. Provided Spanish translated materials to the local businesses and multi-family developments with predominantly non-English speaking clientele/residents. Materials are also distributed to LVJUSD teachers, local businesses and Chamber of Commerce. Three outreach workshops/events were conducted targeting lower-income and predominantly non-English speaking (Spanish) residents in the City. The printed brochures and other supported information was also distributed between three library branches. Outreach activities included farmer's markets, cultural events and festivals. | Other | 3 | n/a |
| Program 3.4.1: Support for Low and Moderate Income Homeowners E) Work with community-based organizations and institutions to provide homebuyer education, financial counseling, and foreclosure prevention. | 60 low- and moderate-income households receive homebuyer support services over the course of the planning period. | 12/31/31 | 6th Cycle | Continuous | The City funds non-profit housing education and advocacy organizations, such as ECHO Housing and Centro Legal, to conduct fair housing education, auditing, consultations, financial education, first-time homebuyer education, and tenant protection counseling. In 2025, ECHO conducted 18 workshops including fair housing, homebuyer education, and tenant protection programs in person and online. | Other | 18 | n/a |
| Program 3.4.1: Support for Low and Moderate Income Homeowners F) Pursue funding for programs that help participants of affordable rental programs access homeownership opportunities. | Submit or support a community partner's submission of at least one funding application | 12/31/31 | 6th Cycle | Continuous | In 2025, the City provided support for Eden Housing's, Measure W funding from Alameda County for the Downtown Livermore Apartments Project, in which they were awarded \$6.1 million. The City is expanding outreach for our First Time Homeownership program, offering specific events for individuals living in affordable rental properties to assist them with their goals of homeownership. The City's Affordable Homeownership guidelines have been updated to include preference points for individuals currently residing in an affordable rental unit and the are partnering with ECHO to conduct specialized homebuyer education to this population. | Other | | n/a |

| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents | |
| Program 3.4.2: Rental Assistance and Tenant Support Services A) Pursue additional funding to maintain and/or increase the amount of rental housing available through the Housing Choice Voucher (Section 8) Program and enhance support for other rental assistance programs. | Support at least eight funding requests or advocacy efforts to increase the number of vouchers in Livermore. | 12/31/31 | 6th Cycle | Continuous | The City worked with the Livermore Housing Authority and non-profit developers to plan how to utilize Project Based Vouchers on City-sponsored affordable housing projects. There are 5 Project Based Vouchers designated at the Pacific Avenue Senior Program and the City is exploring additional voucher options for Eden Housing's Downtown Apartments as the project moves forward. | Other | | n/a | |
| Program 3.4.2: Rental Assistance and Tenant Support Services B) Partner with the Livermore Housing Authority (LHA) to increase promotion of the Housing Choice Voucher program to the development community, property owners, homeowners with accessory dwelling units, and possible participants; support partners that provide outreach to landlords about voucher programs with the aim of increasing housing opportunities for recipients of rental assistance. Prioritize promotion in high resource areas. | Engage at least 50 landlords of properties in high resource areas. | 12/31/31 | 6th Cycle | Continuous | The City continues to coordinate with the Livermore Housing Authority on opportunities to promote HUD's Section 8 Program with the development community. The City will work with LHA and other non-profits providing rental assistance programs to support landlord engagement | Other | | n/a | |
| Program 3.4.2: Rental Assistance and Tenant Support Services C) To facilitate housing mobility opportunities, work with trusted community partners to provide linguistically and digitally accessible and culturally relevant rental housing search assistance to lower-income households and groups with special housing needs through service contracts and programming offered at the Vineyard Housing Resource Center. | Provide assistance to at least 50 lower-income households annually to identify housing opportunities | 12/31/31 | 6th Cycle | Continuous | The Vineyard Resource Center offers wrap-around, supportive services to the community. In addition to on-site services, Open Heart Kitchen has partnered with the following agencies to offer a resource hub to the community: Axis Community Health to assist in health care enrollment; Bay Area Community Health - Street Health Team for medical referrals and general care from a nurse practitioner; CityServe of the Tri-Valley for case management services; Housing Consortium of the East Bay for Housing Navigation services; Partners for Change offering financial planning and resources; Swords to Plowshare offering supportive services for veterans; Tri-Valley Career Center offering job fairs and employment assistance; and Tri-Valley Haven offering supportive services for victims of domestic violence. In addition to the Vineyard Resource Center, the City's Multi-Service Center offers an abundance of resources to the vulnerable populations in the community. The following agencies are available at the City's Multi-Service Center: Abode Services provides housing placement for chronically homeless and individuals with special needs; Axis Community Health medical offices offer direct connection to a range of services; Community Association for Preschool Education offers Head Start early childcare and mental health services; CityServe of the Tri-Valley unsheltered and senior residents; Community Resources for Independent Living offers advocacy and resources to people with disabilities; and East Bay Innovations provides employment support to individuals with disabilities and Bay Area Community Health's street outreach team. The City provides funding for the above services through the following funding sources: the City's Permanent Local Housing Allocation, the Tri-Valley's Homeless Housing and Assistance Program designation, and the Housing and Human Services Grant Program which include Federal, State, and local funding sources. | Other | | n/a | |
| Program 3.4.2: Rental Assistance and Tenant Support Services D) Provide support for low-income renters, including multilingual tenant counseling, rental assistance, financial counseling, crisis stabilization services, and legal support to reduce displacement risk. | Provide assistance to at least 10 lower-income renters annually | 12/31/31 | 6th Cycle | Continuous | In 2025, the City provided funding to CityServe of the Tri-Valley, Abode and Tri-Valley Haven. These organizations offer rental assistance to homeless individuals and families and those at-risk of homelessness. These agencies have provided 40 households with rental assistance. CityServe of the Tri-Valley offers crisis stabilization and street outreach, making contact with over 947 individuals. | Persons | 947 | n/a | |
| Program 3.4.3: Homelessness Intervention A) Update the Development Code to reduce barriers to transitional housing, supportive housing, low-barrier navigation centers, and emergency shelters consistent with State law (e.g., SB 2, AB 101). | n/a | 12/31/31 | 6th Cycle | Continuous | The City has updated its Development Code to reduce barriers to transitional housing, supportive housing, emergency shelters, and low barrier navigation centers in compliance with State law, including SB 2 and AB 101. The 2025 Development Code Update adds a new Chapter 11 (Housing) that consolidates and modernizes housing related use classifications and clarifies where each use is permitted, Transitional and supportive housing are now explicitly treated as residential uses in all zones that allow comparable dwelling types, consistent with State requirements. Chapter 11 also includes updated provisions for emergency shelters and low barrier navigation centers, identifying zones where these uses are allowed subject only to objective standards, ensuring compliance with Government Code §65553(a)(4) and Health & Safety Code §50801. The City continues to review individual applications under State law to ensure no project is delayed while additional refinements to local regulations are considered during the planning period. | Other | | https://www.livermoreca.gov/home/showpublisheddocument/13113/63891901511600000 | |
| Program 3.4.3: Homelessness Intervention B) Proactively connect unsheltered individuals to resources through support of outreach, housing navigation, behavioral health and supportive services programs. Continue the City Serve, biohazard cleanup, and emergency shelter, and laundry and shower services programs. | Assistance to at least 50 unsheltered individuals annually. | 12/31/31 | 6th Cycle | Continuous | The City provides funding for the services provided below through the following funding sources: the City's Permanent Local Housing Allocation, the Tri-Valley's Homeless Housing and Assistance Program designation. With these funding sources, the Vineyard Resource Center was able to provide the following services: Community Meals: 123,136 meals provided for 1,065 individuals Laundry: 3,815 loads of laundry for 311 individuals Showers: 7,939 showers for 376 individuals. Open Heart Refugee: 10,172 shelter stays for 185 unsheltered individuals. In 2025, the refuge expanded their shelter bed capacity from 20 to 30 beds, meeting the increased need for our unsheltered community. | Persons | 1065 | https://www.openheartkitchen.org/vineyard | |
| Program 3.4.3: Homelessness Intervention C) Facilitate coordination between the faith based community and nonprofit providers of homeless services in the development and ongoing operations of solutions such as tiny home villages, safe parking, and outreach programs. | Support at least one project or program annually for persons experiencing homelessness. | 12/31/31 | 6th Cycle | Continuous | Housing and Human Services Staff began a Homeless Roundtable Group inviting local non-profits, faith-based organizations a chance to collaborate and prioritize areas of need. The group met quarterly in 2025 and expanded on our original working groups for the following focus areas: Universal/Guaranteed Basic Income, Substance Use Disorder and Behavioral Health Services, Collaboration and Outreach, and Alternative, Affordable Housing. The larger group is now focusing on weather related resources for our unsheltered community. Within the working groups we have increased awareness of non-profit services, shared with the community exciting accomplishments and stats for City-funded projects, created a project plan for a UBI pilot program, supported non-profits in grant submissions for opioid grant program, transitional housing programs and researched additional resources for tiny home expansion projects. The Roundtable looks forward to meeting to discuss 2026 goals and create new working groups. | Meetings | 4 | n/a | |

| <p>Program 3.5.1: Preservation of Subsidized Housing at Risk of Conversion to Market Rate A) As of 2022, 90 units are at risk of conversion to market-rate housing by 2033. The City will monitor the list of all dwellings that are subsidized by government funding or low-income housing developed through local regulations or incentives. The list will include, at least, the number of units, the type of government program, and the date on which the units are at risk to convert to market-rate dwellings. The City will work to reduce the potential conversion of any units to market rate through the following actions: a. Monitor the status of affordable projects, rental projects, and mobile homes in Livermore. Should the property owners indicate the desire to convert properties, provide technical and financial assistance, when possible, to ensure long-term affordability. b. If conversion of units is likely, work with local service providers as appropriate to seek funding to subsidize the at-risk units in a way that mirrors the U.S. Department of Housing and Urban Development (HUD) Housing Choice Voucher (Section 8) program. Funding sources may include state or local funding sources. c. Negotiate extensions of City financing and affordability restrictions for all three at risk properties as described in Section 2.8.</p> | <p>Monitor the 90 at-risk units as detailed in the program.</p> | 12/31/31 | 6th Cycle | Continuous | Staff continues to monitor the at-risk units list. In 2025, none of these units were converted. | Other | | n/a |
| <p>Program 3.5.1: Preservation of Subsidized Housing at Risk of Conversion to Market Rate B) Pursuant to State law (Government Code Sections 65853.10, 65863.11, and 65863.13), owners of deed-restricted affordable projects are required to provide notice of restrictions that are expiring to all prospective tenants, existing tenants, and the City within 3 years, 12 months, and 6 months before the scheduled expiration of rental restrictions. In addition, the City or owner will provide notice to HUD, the California Department of Housing and Community Development (HCD), the Livermore Housing Authority, and the local legal aid organization. Owners shall also refer tenants of at-risk units to educational resources regarding: a. Tenant rights b. Conversion procedures c. Information regarding Section 8 rent subsidies d. Any other affordable housing opportunities in the city. e. In addition, notice shall be required prior to conversion of any units to market rate for any additional deed restricted lower-income units that were constructed with the aid of government funding, that were required by inclusionary zoning requirements, that were part of a project granted a density bonus, or that were part of a project that received other incentives.</p> | <p>Monitor the 90 at-risk units as detailed in the program.</p> | 12/31/31 | 6th Cycle | Continuous | Staff continues to monitor the at-risk units list. In 2025, none of these units were converted. | Other | | n/a |
| <p>Program 3.5.1: Preservation of Subsidized Housing at Risk of Conversion to Market Rate C) If a development is offered for sale, HCD must certify persons or entities that are eligible to purchase the development and to receive notice of the pending sale. Placement on the eligibility list will be based on experience with affordable housing.</p> | <p>Monitor the 90 at-risk units as detailed in the program.</p> | 12/31/31 | 6th Cycle | Continuous | Staff continues to monitor the at-risk units list. In 2025, none of these units were converted. | Other | | n/a |

| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 3.5.1: Preservation of Subsidized Housing at Risk of Conversion to Market Rate D) When necessary, the City shall continue to work with property owners of deed restricted affordable units who need to sell within 45 years of initial sale. When the seller is unable to sell to an eligible buyer within a specified time period, equity sharing provisions are established (pursuant to the affordable housing agreement for the property), whereby the difference between the affordable and market value is paid to the City to eliminate any incentive to sell the converted unit at market rate. Funds generated would then be used to develop additional affordable housing in the city. The City shall continue tracking all residential projects that include affordable housing to ensure that the affordability is maintained for at least 45 years for owner-occupied units and 55 years for rental units, and that any sale or change of ownership of these affordable units prior to satisfying the 45- or 55-year restriction shall be "rolled over" for another 45 or 55 years to protect "at-risk" units. | Monitor the 90 at-risk units as detailed in the program. | 12/31/31 | 6th Cycle | Continuous | Staff continues to monitor the at-risk units list. In 2025, none of these units were converted. | Other | | n/a |
| Program 3.5.1: Preservation of Subsidized Housing at Risk of Conversion to Market Rate E) Communicate with tenants and respond to notices of intent filed by property owners in a timely manner. | n/a | 12/31/31 | 6th Cycle | Continuous | Staff continues to monitor the at-risk units list. In 2025, none of these units were converted. | Other | | n/a |
| Program 3.5.1: Preservation of Subsidized Housing at Risk of Conversion to Market Rate F) Pursue funding for the preservation of at-risk housing and provide financial incentives to landlords who agree to continue to provide affordable units. | Preservation of 90 units at risk of conversion to market rate | 12/31/31 | 6th Cycle | Continuous | Staff continues to monitor the at-risk units list. In 2025, none of these units were converted. | Other | | n/a |
| Program 3.5.2: Housing Replacement Program A) In accordance with California Government Code Section 65583.2(g), the City will require replacement housing units subject to the requirements of California Government Code Section 65915(c)(3) on sites identified in the sites inventory when any new development (residential, mixed-use, or nonresidential) occurs on a site that has been occupied by or restricted for the use of lower income households at any time during the previous five years. This requirement applies to nonvacant sites and vacant sites with previous residential uses that have been vacated or demolished. | n/a | 12/31/31 | 6th Cycle | Continuous | In 2025, the City did not receive any development applications proposing a project on a site that has been occupied by or restricted for the use of lower income households at any time during the previous five years. The City will continue to monitor this requirement as development applications are received. | Other | | n/a |
| Program 4.1.1: Residential Development Codes and Design Standards A) Continue to enforce State Energy Code and California Green Building Standards Code (CALGreen) regulations for energy efficiency, water conservation, environmental quality, etc., in residential development applications. | n/a | 12/31/31 | 6th Cycle | Continuous | Compliance with State Energy Code and CALGreen regulations is a requirement all residential building applications and is reviewed by the Building Division as applications are processed. Building Division staff are available to meet with project applicants to discuss green building measures over the counter at the Permit Center, or by appointment. | Other | | n/a |
| Program 4.1.1: Residential Development Codes and Design Standards B) Encourage developers to exceed the minimum State Energy Code and CALGreen requirements by maintaining information on the City's website and providing assistance at the Permit Center. | n/a | 12/31/31 | 6th Cycle | Continuous | The City encourages developers to exceed minimum State Energy Code and CALGreen requirements by maintaining accessible green building resources on its website and offering direct support through the Permit Center. The City's Building Division webpage provides information on CALGreen requirements, energy efficient construction practices, and links to State resources, including the California Energy Commission and CALGreen checklists. The City also maintains a Sustainability Programs page with guidance on electrification, energy efficiency rebates, and voluntary green building measures that developers may incorporate into new residential projects. Permit Center staff continue to assist applicants in understanding opportunities to exceed baseline State standards and integrate higher performance building systems into project designs. | Other | | n/a |
| Program 4.1.1: Residential Development Codes and Design Standards C) Develop cost-effective local energy reach codes for all-electric buildings and electric vehicle charging for new housing, consistent with the City's Climate Action Plan. Establish exceptions for projects such as accessory dwelling units, affordable housing, and non-profit organizations serving low-income and underserved communities. | n/a | 12/31/31 | 6th Cycle | Continuous | The City continues to advance cost effective local energy reach codes that require most new buildings to be constructed all electric and to install electric vehicle (EV) charging infrastructure exceeding minimum State Energy Code and CALGreen requirements. As described on the City's Sustainability Programs webpage, Livermore's local reach codes support Climate Action Plan goals by requiring all electric new construction, expanding EV ready and EV capable parking requirements, and promoting building electrification as a key strategy for reducing greenhouse gas emissions. These standards apply to new buildings but do not apply to remodels or additions, consistent with the City's adopted reach code ordinance. The City also maintains exemptions for certain project types, including accessory dwelling units, affordable housing, and nonprofit facilities serving low income and underserved communities, to ensure that electrification requirements remain equitable and cost effective. Permit Center staff and the City's online resources continue to assist developers in understanding and implementing these enhanced energy and EV charging requirements. | Other | | n/a |

| Program 4.1.1: Residential Development Codes and Design Standards D) Require new developments to incorporate onsite drought tolerant landscaping, water conservation features, open space, park space, and/or shade-providing features to reduce urban heat effects, reduce water-use, and help sequester carbon. Consider establishing exceptions for projects such as accessory dwelling units, affordable housing, and non-profit organizations serving low income and underserved communities. | n/a | 12/31/31 | 6th Cycle | Continuous | The City requires new multifamily residential and mixed use projects to incorporate drought tolerant landscaping, water efficient design, and high quality open space consistent with its adopted Mixed Use and Multifamily Design Standards (MODS) and all new development to comply with the Water Efficient Landscape Ordinance (WELo) in the Livermore Municipal Code. The MODS call for well designed on site open spaces, landscaped areas with climate appropriate plantings, and shade providing features such as trees and canopies along streets, walkways, and parking areas to reduce urban heat and improve pedestrian comfort. In addition, all qualifying new development must comply with the City's WELo, codified in Livermore Municipal Code Chapter 13.25 (Water Efficient Landscape), which implements the State Model Water Efficient Landscape Ordinance and requires a landscape documentation package, water efficient planting and irrigation design, soil management, and ongoing water use efficiency measures. These requirements ensure that new projects use drought tolerant landscaping and water conservation features to reduce water use, manage stormwater, and support carbon sequestration. The City may consider limited exceptions for smaller or equity focused projects, such as accessory dwelling units, affordable housing, or nonprofit facilities serving low income and underserved communities, while still maintaining compliance with State and local water efficiency standards. | Other | | https://www.livermoreca.gov/home/showpublisheddocument/13069/638913619583970000 https://www.codepublishing.com/CA/Livermore/ |
| Program 4.1.2: Residential Retrofits A) Partner with regional stakeholders, such as East Bay Community Energy (EBCE) and BayREN, to offer incentives for energy efficiency, electrification, weatherization, energy storage, and resilience retrofits in existing housing, consistent with the Climate Action Plan. Focus efforts in low income and vulnerable communities with a geographic emphasis on the Rincon neighborhood and other neighborhoods north of Downtown as well as supportive shared housing and licensed care facilities described in Section 2.4. | 100 retrofitted housing units during the planning period. | 12/31/31 | 6th Cycle | Continuous | The City partners with regional agencies to expand access to energy efficiency, electrification, and resilience upgrades in existing housing, consistent with the Climate Action Plan. The City's Sustainability & Resilience - City Initiatives webpage highlights Livermore's collaboration with East Bay Community Energy (EBCE) to support renewable energy programs, building electrification, and energy related incentives for residents. The webpage also directs residents to BayREN, which offers rebates and assistance for home energy efficiency improvements and electrification upgrades. Through these partnerships, the City helps connect households—particularly those in low income and vulnerable communities to programs that reduce energy use, improve comfort, and enhance resilience. The City also promotes resources on social media and e-newsletters, and participated in monthly meetings with regional partners to stay informed of existing and future resources. | Other | | https://www.livermoreca.gov/our-community/sustainability-resilience-new/city-initiatives |
| Program 4.1.2: Residential Retrofits B) Provide information in multiple languages on the City's website on safe and healthy housing conditions and tools to address unhealthy housing conditions. Share information about available incentives, regulations, contractors, and considerations. Focus efforts in Springtown, neighborhoods north of Downtown, and supportive shared housing and licensed care facilities described in Section 2.4 to facilitate place-based revitalization and reduce displacement risk. | n/a | 12/31/31 | 6th Cycle | Continuous | Refer to response to Program 4.1.2. | Other | | see above link |
| Program 4.1.3: Neighborhood Preservation Program A) Continue to implement the City's Neighborhood Preservation Program to correct building code violations. Focus efforts on defects that threaten health and safety of occupants and the community. | Target assistance to at least 10 units annually | 12/31/31 | 6th Cycle | Continuous | In 2025, Neighborhood Preservation responded to over 900 violations and resolved over 90% of all cases involving graffiti, abandoned shopping carts, overgrown vegetation, illegal dumping, and illegal structures. | Other | | n/a |
| Program 4.1.3: Neighborhood Preservation Program B) Pursue funding to provide low-income homeowners and renters with financial assistance to correct building code violations and make accessibility improvements. Coordinate these efforts with the Climate Action Plan retrofit efforts (Program 4.1.2.A) to maximize resources and benefit, including prioritization of investments in neighborhoods north of Downtown like Rincon. | See Program 4.1.2.A | 12/31/31 | 6th Cycle | Continuous | Refer to response to Program 4.1.2. | Other | | n/a |
| Program 4.1.3: Neighborhood Preservation Program C) Monitor multifamily complexes that have received City funding for housing quality, resident services, customer service, and linguistic and physical accessibility | Conduct annual monitoring assessments | 12/31/31 | 6th Cycle | Continuous | The City continues to monitor property regulatory agreements annually. The City conducted 3 monitoring assessments in 2025. | Other | 3 | n/a |
| Program 4.1.3: Neighborhood Preservation Program D) Continue to promote Neighborhood Preservation programs and cleanup events through the City's website to support community-oriented place-based revitalization | See Program 4.1.3.A | 12/31/31 | 6th Cycle | Continuous | The City's website contains information on upcoming events related to neighborhood nuisance and cleanup, including clutter support groups. | Other | | https://www.livermoreca.gov/departments/community-development/neighborhood-preservation |
| Program 4.1.3: Neighborhood Preservation Program E) Use volunteer assistance cleanup teams, specifically to assist frail elderly and disabled homeowners who have received code complaints for property upkeep. | n/a | 12/31/31 | 6th Cycle | Continuous | The City released a Request for Proposals and selected Spectrum to facilitate a minor home repair program for low-income homeowners. The program will kick off in 2026. In addition, Neighborhood Preservation and Housing and Human Services Division met to streamline referrals for homeowners with code violations related to lawn upkeep and hoarding. Staff is working with a local nonprofit to get volunteers for lawn upkeep of elderly and disabled homeowners as well as provide additional county resources for code violations related to hoarding. | Other | | see above link |

| Name of Program | Objective | Projected Completion Date in Housing Element | Applicable Cycle | Status of Program Implementation | Program Implementation Details | Quantified Outcomes: Category | Quantified Outcomes: Count | Supporting Documents |
| Program 4.2.1: Neighborhood Improvement Improve the quality of older neighborhoods, particularly in low resource areas, affordable housing developments, and neighborhoods north of Downtown, by upgrading sidewalks, parks, lighting, tree canopy, bike lanes, and other public facilities. | A) At least 8 infrastructure investments in high need communities, such as rehabilitation of Doolan Park, the installation of electric car chargers at Rincon Library, or bike lanes along Rincon Avenue, during the Planning period. | 12/31/31 | 6th Cycle | Continuous | The City continues to improve the quality of older neighborhoods, particularly in low resource areas, affordable housing developments, and neighborhoods north of Downtown, by investing in public infrastructure and community amenities. These efforts include ongoing upgrades to streets and sidewalks, enhancements to pedestrian safety and lighting, expansion of bike and trail connections, and improvements to parks, open spaces, and tree canopy to reduce urban heat and support walkability. The City prioritizes projects in areas with the greatest need to ensure that neighborhood improvements advance equity, safety, and quality of life for residents. The City's CIP includes ongoing/annual improvements for street resurfacing, sidewalk repair, and ADA access ramps. | Other | | https://www.livermoreca.gov/department/community-development/engineering/capital-improvement-plan-projects |
| Program 4.2.1: Neighborhood Improvement Pursue funding available for acquisition and rehabilitation of foreclosed, vacant, and/or blighted properties. | B) See Program 3.2.4 | 12/31/31 | 6th Cycle | Continuous | The City continues to work with non-profit housing agencies to identify prospective acquisition and rehabilitation opportunities that could rehabilitate blighted and distressed properties within the City and provide safe, clean and affordable rental housing opportunities. | Other | | n/a |
| Program 4.2.1: Neighborhood Improvement Pursue funding to acquire land and/or facilitate development of urban parks on infill sites, particularly in low-resource areas and affordable housing developments, to promote place-based revitalization through air pollution mitigation and improved access to outdoor recreational opportunities. | C) Provide at least one-third acre of parkland or open space within one mile of all residences. | 12/31/31 | 6th Cycle | Continuous | The City continues to coordinate with regional partners and developers regarding funding for parkland and open space in low resource areas. A key recent example in 2025 is the Sunken Gardens Pump Track project, developed in collaboration with the Livermore Area Recreation and Park District (LARP). This project transforms an underutilized infill site into a high quality outdoor recreation facility that provides youth and families with a safe, accessible space for biking and active play. The pump track supports place based revitalization by increasing tree canopy and shade, improving air quality through vegetation and dust control design, and expanding recreational opportunities within walking and biking distance of surrounding neighborhoods. The City's partnership with LARP on Sunken Gardens demonstrates its ongoing commitment to leveraging local and regional funding to create new parks and enhance existing public spaces in areas with the greatest need. These efforts advance broader goals of improving environmental health, reducing disparities in park access, and supporting community well being in older and lower resource neighborhoods. | Other | | https://www.larpd.org/2025-10-09-sunken-gardens-pump-track-groundbreaking |
| Program 4.2.1: Neighborhood Improvement Continue to identify funding and provide technical assistance to upgrade and enhance programming and community and recreational spaces in rental housing properties owned and managed by the Livermore Housing Authority (LHA). | D) Support at least three service or infrastructure enhancements at Leahy Square, Bluebell, Chestnut, or Las Posadas apartments over the planning period. | 12/31/31 | 6th Cycle | Continuous | The City continues to seek opportunities to enhance programming and community and recreational spaces in rental housing properties owned and managed by the Livermore Housing Authority (LHA). | Other | | n/a |
| Program 5.1.1: Support Nonprofit Organizations Specializing in Fair Housing Services Provide financial assistance and administrative support to local nonprofit organizations that specialize in reducing discriminatory housing practices through fair housing counseling, tenant/landlord mediation, education, outreach, and rental assistance to reduce displacement risk resulting from discrimination and facilitate housing mobility opportunities. | A) Assist at least 20 households annually through the programs offered by fair housing providers. | 12/31/31 | 6th Cycle | Continuous | The City provides annual financial assistance and operating support to ECHO Housing to assist residents with fair housing complaints, tenant landlord disputes, accessing housing, and fair housing education. The City also contracts annually with Centro Legal de la Raza to provide legal services and conduct public outreach regarding tenant rights. In 2025, Centro Legal assisted 28 Livermore residents. Centro conducts monthly educational workshops for tenants at risk of displacement and legal proceedings. | Households | 28 | n/a |
| Program 5.1.1: Support Nonprofit Organizations Specializing in Fair Housing Services Continue to refer complaints of discriminatory housing practices to fair housing providers. | B) Provide references to at least 3 residents experiencing fair housing issues, or as complaints are received. | 12/31/31 | 6th Cycle | Continuous | The City provides annual financial assistance and operating support to ECHO Housing, to assist residents with fair housing complaints, tenant landlord disputes, accessing housing and fair housing education. Each quarter ECHO Housing provides on average 36 fair housing counseling sessions to unduplicated clients. They also provided investigations for specific cases of complaints and regional Fair housing trainings and workshops for both tenants and landlords. In 2025, ECHO provided housing counseling sessions to 139 unduplicated clients. | Persons | 139 | n/a |
| Program 5.1.1: Support Nonprofit Organizations Specializing in Fair Housing Services Refer complaints and requests for housing for the disabled to partner organizations. | C) Provide references to at least 3 residents, or as complaints are received. | 12/31/31 | 6th Cycle | Continuous | The City maintains a list of partner organizations on the website and provides referrals as inquiries are received from the public. In 2025, the City provided referrals to 12 disabled individuals or their families. | Persons | 12 | n/a |
| Program 5.1.1: Support Nonprofit Organizations Specializing in Fair Housing Services Distribute fair housing brochures at public locations, such as city counters, public libraries, community/senior centers, and service providers. Expand outreach and access to information for limited English speaking residents by providing all materials in dominant non-English languages, including Spanish, Farsi, and Simplified Chinese, by January 2023. | D) Update and distribute fair housing materials at least annually, and disburse materials at at least one community event annually with an emphasis on areas with a high number of renters. | 12/31/31 | 6th Cycle | Continuous | Fair Housing materials were distributed through the City's contract with ECHO Housing, at the Permit Counter in the City Hall, and throughout regional training events. Over 200 flyers were distributed every quarter of the year, and on-site consultations are provided in English, and Spanish. The Fair Housing information is available in Simplified Chinese, Spanish, Mandarin, and Tagalog. ECHO also conducts monthly fair housing workshops. In 2025, ECHO provided consultations to 139 unduplicated individuals. | Persons | 139 | n/a |
| Program 5.1.1: Support Nonprofit Organizations Specializing in Fair Housing Services E) Provide financial support for fair housing audits and the dissemination of audit results and information on fair housing laws to landlords, rental housing organizations, and the public. Hold biannual trainings for landlords and property managers to review findings and provide education on fair housing rights and responsibilities to reduce displacement risk resulting from discrimination and facilitate housing mobility opportunities. | E) Engage at least 30 landlords and property owners every 2 years with an emphasis on high resource areas. Support annual audits of 10 or more landlords. Conduct fair housing testing and/or advertising audits annually. | 12/31/31 | 6th Cycle | Continuous | The City contracted with ECHO Housing to complete fair housing property audits in Livermore and investigate fair housing cases. Every month ECHO conducts a regional fair housing training inviting property managers and landlords in Livermore to learn about fair housing laws. These trainings are open to tenants as well. ECHO also conducts an annual systemic audit of at least 10 landlords for possible discrimination. ECHO's Fair Housing staff continues to monitor sites like Craigslist for advertising violations and provide education and/or testing on these sites. | Persons | 10 | n/a |

| Program 5.1.2: Reasonable Accommodations Consistent with state and federal laws, continue to provide individuals with disabilities reasonable accommodation in rules, policies, practices, and procedures through the building permit and development review processes. | n/a | 12/31/31 | 6th Cycle | Continuous | The City reviewed its Reasonable Accommodation procedures as part of the Development Code Update; however, Chapter 11 of the July 2025 update does not include revised Reasonable Accommodation findings. Provisions for Reasonable Accommodations can be in Chapter 9.06 of the LDC. The City will continue to evaluate and update its Reasonable Accommodation provisions to remove subjective findings and ensure full consistency with State and federal fair housing laws. Additional code amendments may be completed in a future update to fully implement this program. | Other | | see previous link for the Development Code |
| Program 5.1.2: Reasonable Accommodations B) Continue to partner with fair housing organizations to conduct trainings, test, and audits that help ensure reasonable accommodations are provided conduct in multifamily rental properties. Provide regular training to landlords. | See Program 5.1.1 | 12/31/31 | 6th Cycle | Continuous | The City partners with ECHO to conduct a fair housing audit of 10 rental properties annually. ECHO provided the landlords of these properties with training and information regarding disability laws and tenant/landlord rights and responsibilities. In addition, ECHO offered free fair housing training to the owners and managers of rental properties in Livermore. | Other | | n/a |
| Program 5.1.2: Reasonable Accommodations C) Work with Livermore Housing Authority and partner organizations to identify landlords in need of assistance with making modifications for persons with disabilities in the Section 8 program. | n/a | 12/31/27 | 6th Cycle | In Progress | Targeted for 2026/2027 implementation. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs A) Conduct racial equity impact assessments of City policies for potential unintended fair housing impacts on people of color and work with stakeholders to address those impacts | Racial equity assessments of at least three City housing policies. | 12/31/27 | 6th Cycle | In Progress | Targeted for 2026/2027 implementation. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs B) Strengthen requirements for City-funded affordable housing and service providers to offer linguistically accessible services, particularly in Spanish, to increase housing mobility opportunities through increased accessibility | Incorporate language access requirements into at least five Housing and Human Services grant agreement or service contracts. | 03/31/26 | 6th Cycle | Completed | Language access requirements have been integrated into the contracts for BMR Administrator, Centro Legal de la Raza, and ECHO. Both the Family Homeless Challenge Grant and the Permanent Local Housing Allocation grants include an ICMS (Intensive Care Services Management) component that provides Spanish and other translation services, as well as ESL education and linguistic support for participating families. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs C) To facilitate housing mobility opportunities, pursue funding for culturally relevant financial empowerment services to help community members with protected characteristics remove economic barriers to accessing housing like credit scores and income documentation | Submit at least one funding application to support the program. | 12/31/27 | 6th Cycle | In Progress | Targeted for 2026/2027 implementation. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs D) Present new policies to City Council that prevent displacement for low- and moderate-income community members and protect families with children, essential workers, seniors, and people with disabilities, such as an anti harassment ordinance, just cause eviction ordinance, Ellis Act protections, or a tenant opportunity to purchase policy. | Present at least one tenant protection ordinance to City Council to consider for adoption. | 12/31/27 | 6th Cycle | In Progress | Targeted for 2026/2027 implementation. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs E) Work with trusted community partners to provide linguistically and digitally accessible and culturally relevant housing search assistance to address racial housing disparities experienced by Latinx, Black, Asian, and Pacific Islander community members and increase housing mobility. | Provide resources and guidance to at least three community partners to address local racial housing disparities. | 12/31/31 | 6th Cycle | Continuous | City staff and local nonprofits attend monthly meeting through Alameda County where local racial housing disparities are discussed and continued outreach and response initiatives are planned. | Meetings | 12 | n/a |
| Program 5.2.1: Fair Housing Policies and Programs F) Conduct a feasibility assessment for a Citywide rental registry to reduce displacement risk. | Complete Citywide rental registry feasibility assessment | 12/31/27 | 6th Cycle | Continuous | Feasibility assessment under development. Targeted for 2026/2027 implementation. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs G) Prioritize public improvements and residential retrofits described in Actions 4.1.2.A, 4.2.1.A, and 4.2.1.C (such as streets and drainage, sidewalks and alleys, green spaces and parks, street trees, and other public facilities, amenities and infrastructure) in neighborhoods with the greatest need, including neighborhoods with high concentrations of poverty and limited existing resources and amenities. | Adopt a Climate Action Plan that includes commitments to prioritizing microgrid, water efficiency, urban canopy, stormwater, and electric vehicle investments in high need communities. | 12/31/25 | 6th Cycle | Completed | The City adopted the 2022 Climate Action Plan (CAP) on November 28, 2022. The 2022 CAP is a roadmap to reduce greenhouse gas (GHG) emissions, adapt to extreme weather, deploy reliable and renewable energy, conserve habitat and biodiversity, and ensure equitable access to the benefits of a sustainable city. The Climate Action Plan and Annual Progress Reports can be accessed on the City's website at: https://www.livermoreca.gov/departments/community-development/climate-action-plan-draft . An update to the 2022 CAP will be prepared following adoption of the Draft General Plan. | Other | | https://www.livermoreca.gov/departments/community-development/climate-action-plan-draft |

| Program 5.2.1: Fair Housing Policies and Programs H) Identify opportunities in the General Plan Circulation Element and/or Active Transportation Plan to strengthen biking, pedestrian, and public transit connections from lower resource to higher-resource areas | Adopt an updated Circulation Element of the General Plan and/or updated Active Transportation Plan. | 12/31/26 | 6th Cycle | In Progress | Ongoing. The General Plan Update will include an updated Circulation Element. In addition, the City prepared an Interim Update to Active Transportation Plan to outline the considerable progress made since the Plan's adoption in 2018 to improve active transportation network citywide. Since 2018, the City has completed over 100 projects that contributed to a safer and lower stress active transportation network; improved approximately 16.4 miles of Class II bikeways with buffers; constructed 0.6 mile of Class IV Separate Bike Lanes, 1.6 miles of Class II bicycle lanes, and 1.8 miles of Class III Bicycle Boulevard; improved accessible ramps at 67 locations and pedestrian crossings at 34 locations; and reduced bike involved crashes by 18%, and pedestrian involved crashes by 6% compared to the five-year total previously reported. | Other | | https://imagine.livermore2045.org/wp-content/uploads/2026/02/5_Mobility_PublicReviewDraft_Feb.2026.pdf https://www.livermoreca.gov/hom/es/showpublisheddocument/12095/638672797306130000 |
| Program 5.2.1: Fair Housing Policies and Programs I) Implement strategies in partnership with the school district, Livermore Amador Valley Transit Authority, and community based organizations that increase biking, pedestrian, and public transit access for low-income and special needs households, such as free transit pass programs. | Distribute 5,000 free bus passes over the planning period to low-income families, unhoused individuals, and people with disabilities through partnerships with organizations such as the Livermore Valley Unified School District, CityServe, La Familia, and Communities for Resource | 12/31/31 | 6th Cycle | Continuous | In 2025, the City distributed 1,671 24-hour bus passes to non-profits, LVUSD, and Livermore Police Department's Homeless Liaison Officers. In addition to bus passes, CityServe of the Tri-Valley manages a multi-year grant from the Alameda Transportation Commission, totaling \$1,000,000, to expand its transportation program. This funding will support the launch of RideCare, a new initiative aimed at providing reliable transportation services for local older adults and individuals 18+ with disabilities. RideCare will connect Tri-Valley volunteer drivers with those in need of transportation, coordinating rides to medical appointments, grocery runs, and other planned and group trips throughout the Tri-Valley. This expanded service, addresses a significant gap in transportation options, ensuring all older adults and individuals with disabilities have access to essential services. | Other | 1671 | n/a |
| Program 5.2.1: Fair Housing Policies and Programs J) Utilize Community Development Block Grant and Human Services Facility funds to support place-based strategies to improve conditions, resources, and amenities in lower-income communities such as neighborhoods north of Downtown | At least 5 investments in projects that create or improve facilities and infrastructure benefiting low-income community members over the planning period. | 12/31/31 | 6th Cycle | Continuous | The Housing and Human Services grant program provided assistance to the following projects: 1) Tri-Valley Haven for their domestic violence shelter rebuild and expansion, construction began November 2025 with the expansion providing an additional 15 beds when completed winter 2026; 2) Goodness Village Tiny Home Preservation and Weatherproofing project addressed critical external damages to the existing tiny homes caused by weather exposure; and 3) Sunflower Hill improvements to pathways and garden beds to make them more accessible for people with disabilities. The City utilized HHAP funding to support the expansion of shelter beds at Open Heart Refuge, bringing the total beds from 20 to 30. | Other | | n/a |
| Program 5.2.1: Fair Housing Policies and Programs K) Address racial homeownership gaps and produce more missing middle housing through the City's inclusionary housing program | See Program 3.1.1. Adopt policies and procedures with inclusive outreach and marketing standards within 1 year of Housing Element adoption and encourage at least half of the moderate income units produced by the inclusionary housing ordinance over the planning period to be integrated into low-density and single-family. | 12/31/31 | 6th Cycle | Continuous | The City updated existing affordable homeownership guidelines to reflect inclusive marketing efforts and remove access barriers. | Other | | n/a |
| Program 6.1.1: Tri-Valley Affordable Housing Committee A) Continue to participate in Tri-Valley Affordable Housing Committee to identify regional housing issues and to develop multi-jurisdictional approaches to solving affordable housing problems with focus on income integration and housing mobility opportunities. | n/a | 12/31/31 | 6th Cycle | Continuous | The Tri-Valley Affordable Housing Committee has been disbanded. Housing staff of the Tri-Valley Cities continues to coordinate on a quarterly basis. | Meetings | 4 | n/a |
| Program 6.1.2: Regional Responses to Homelessness A) Continue to coordinate with other local jurisdictions to in the provision of outreach, social services, and referrals to people with disabilities, survivors of domestic violence, and homeless or those at risk of becoming homeless. Continue joint support of local homeless shelters and the Vineyard 2.0 navigation center. | Jointly fund at least three homeless services projects each year. See Program 3.4.3 for service objectives. | 12/31/31 | 6th Cycle | Continuous | The Housing and Human Services Grant program funded three meal programs supporting low-income and senior residents, one health care resource, one independent living resource for individuals with disabilities, two rental assistance programs, two shelters and three case management and counseling programs. The City of Pleasanton, Dublin, and Livermore jointly supported CityServe of the Tri-Valley's Stabilization Program, Tri-Valley Haven's Shelter Rebuild Project, Tri-Valley Haven's Domestic Violence and Homeless Shelter, and Tri-Valley Haven's Food Pantry. The City awarded Tri-Valley's HHAP funding to three nonprofits to provide case management, rental assistance and shelter operations. | Other | 15 | n/a |
| Program 6.1.2: Regional Responses to Homelessness B) Pursue opportunities to secure joint funding with neighboring and local jurisdictions to aid homeless and at-risk households, such as the Project Reclamation supportive shared housing program. | Submit a multijurisdictional Homekey application in Round 3 to support permanent supportive housing production objectives identified in Program 1.5.3.D. | 12/31/31 | 6th Cycle | Continuous | The City managed the Tri-Valley's Homeless, Housing Assistance, and Prevention funds to support Vineyard Resource Center operations and the Open Heart Refuge 30 bed overnight shelter, Tri-Valley Haven domestic violence Shelter and rental assistance for individuals and families experiencing homelessness. In addition, the City manages the Tri-Valley award for the winter relief program. The City contracts with CityServe of the Tri-Valley to offer hotel vouchers and case management services to the medically-fragile homeless population during the winter months. The Tri-Valley continues to monitor available funding applications for areas ad projects in need of funding. | Other | | n/a |
| Program 6.1.2: Regional Responses to Homelessness C) Implement local and regional plans to address homelessness, such as the Alameda County Home Together plan. | n/a | 12/31/31 | 6th Cycle | Continuous | Alameda County is in the working stages of a new Home Together plan, Housing and Human Services staff and two local non-profits are in working groups to ensure East County and the City is represented in these meetings. | Meetings | 10 | n/a |
| Program 6.1.2: Regional Responses to Homelessness D) Continue participating in local and regional partnerships to address homelessness, such as Everyone Home. | Participate in at least one regional partnership annually to address homelessness | 12/31/31 | 6th Cycle | Continuous | HHS staff sit on three Alameda County Continuum of Care groups: The Leadership Board, The Notice of Funding and Opportunities Panel, and the Housing Management Information System group. Housing and Human Services staff sit on the Alameda County Health Care for the Homeless Committee and the First 5 Board and participate in Alameda County's All-City Housing and Homeless Response groups as well as a Mayor's Technical Working Group pertaining to homeless response initiatives. | Meetings | 65 | n/a |

Table F

Units Rehabilitated, Preserved and Acquired for Alternative Adequate Sites pursuant to Government Code section 65583.1(c)

Please note this table is optional: The jurisdiction can use this table to report units that have been substantially rehabilitated, converted from non-affordable to affordable by acquisition, and preserved, including mobilehome park preservation, consistent with the standards set forth in Government Code section 65583.1, subdivision (c). Please note, motel, hotel, hostel rooms or other structures that are converted from non-residential to residential units pursuant to Government Code section 65583.1(c)(1)(D) are considered net-new housing units and must be reported in Table A2 and not reported in Table F.

| Activity Type | Units that Do Not Count Towards RHNA ⁺ Listed for Informational Purposes Only | | | | Units that Count Towards RHNA ⁺ Note - Because the statutory requirements severely limit what can be counted, please contact HCD at apr@hcd.ca.gov and we will unlock the form which enable you to populate these fields. | | | | The description should adequately document how each unit complies with subsection (c) of Government Code Section 65583.1 ⁺ . For detailed reporting requirements, see the checklist here: https://www.hcd.ca.gov/community-development/docs/adequate-sites-checklist.pdf |

ANNUAL ELEMENT PROGRESS REPORT

**Table K
Tenant Preference Policy**

Local governments are required to inform HCD about any local tenant preference ordinance the local government maintains when the jurisdiction submits their annual progress report on housing approvals and production, per Government Code 7061 (SB 649, 2022, Cortese). Effective January 1, 2023, local governments adopting a tenant preference are required to create a webpage on their internet website containing authorizing local ordinance and supporting materials, no more than 90 days after the ordinance becomes operational.

| | | |
|--|----|--|
| Does the Jurisdiction have a local tenant preference policy? | No | |
| If the jurisdiction has a local tenant preference policy, provide a link to the jurisdiction's webpage containing authorizing local ordinance and supporting materials. | | |
